MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Year 11 Assessments

This is always a busy time of year, but this has been an usually pressured week for teachers as they continue to set, mark and moderate Year 11 tests for summer GCSE assessments. This is an entirely different level of intensity to the work normally done to prepare students for public exams, and I'm grateful to all the teaching and support staff, and to the exams team, for the many extra hours that this is all taking. As part of this process, we are sharing examples of our students' marked assessments with teaching staff in our other Trust Secondary schools, in a process known as cross-moderation. Staff across the Trust schools are thus working together to ensure that the same assessment standards are being consistently applied to all Year 11 students across our schools. As you can imagine, this is a demanding process and one that we're devoting a great deal of time to, in order to get judgements about grades absolutely right.

Political Literacy

Congratulations to all the Year 10 students who gave speeches to our MP, Anthony Browne, during his visit to school yesterday, as the culmination of their Political Literacy Course. The students chose to speak on a wide range of issues, from Period Poverty to Local Government, and Mr Browne was very complimentary on the passion of the presentations and the level of detail included. We clearly have some budding politicians in our ranks!

Covid Testing

I know it's onerous – but PLEASE keep up the home testing of your children on Wednesdays and Sundays, and continue to upload the results. This week, our reported pupil testing return has dropped to 81%. Please don't be lulled into a sense of security by the good news on local infection levels; we can keep everyone safer if we continue to test regularly. The next distribution of home tests will be during the week of 17 May.

School Uniform

Thanks to the vast majority of you who send your children to school in full, branded, uniform. We are working hard to ensure that all pupils are following our school uniform policy and pupils are aware that they will be asked to change into school-provided items if they do not arrive in correct uniform. Failure to do so results in loss of social time.

Message from the Local Authority: Foster for us today and show why you care!

Cambridgeshire County Council and Peterborough City Council are supporting this year's Foster Care Fortnight campaign (10th – 23rd May) and urging people to consider fostering as a career. We particularly need carers who can support children and young people between 10 -15 years old, sibling groups of brothers & sisters and short breaks Link foster carers.

Foster Care Fortnight is the UK's largest foster care awareness raising campaign and aims to show the positive impact foster care has made on young people's lives. Foster carers accomplish incredible things every day, and despite the practical and emotional challenges from coronavirus, foster carers continue to provide day-to-day support, love and stability to children and young people who can't live with their birth families.

We want to hear from anyone who is over 21, has a spare bedroom and the love and dedication to help our young people. We offer round the clock out of hours' support should you need it, a dedicated supervising social worker who will provide regular supervision and support and generous pay and benefits. Register today at www.cambridgeshire.gov.uk/fostering or call 0800 052 0078.

Why not find out more by coming to our virtual information session on the 26th May from 6-8pm. Book now at: FosteringMarketing@cambridgeshire.gov.uk

Thank you all for your ongoing support, and wishing you all a very good weekend,

We need more funds!

To get to where we are today has cost £145,000 so far!

To be able to bring a CINEMA to Cambourne, we need YOUR support to raise the final £100,000, by December 2021, for:

- Professional quality cinema screen and projector
- Surround-sound speakers

Cambourne Village College has built a new performance hall, with the help of our Town and County Councils!

Funding from Cam Academy Trust and the College, and fundraising by CamVC's Charitable Trust, means that hopefully by September 2021, we will be delivering:

- Musical and theatre performances for audiences of up to 350
- A full stage, lighting and top-quality tiered seating experience

In addition, we now have the ambition to:

- Show box-office films just weeks after national release
- Stream live broadcasts of west-end theatre, ballet and opera
- Employ a Community Arts Officer to grow the Arts offering for local people
- Attract professional touring theatre and dance companies

ABSENCE REQUEST

To notify us of any planned absences, please visit the [Absences](#) page on our website and submit an Absence Request Form, with 2 school days' prior notice for this to be reviewed for authorisation.

APPOINTMENTS

We strongly encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, pupils should be in school prior to/after the appointment and out of school for as little time as possible.

Missing registration AM or PM for a medical or dental appointment is counted as an authorised absence and advance notice is required for authorising these absences.

Please notify Reception of when an appointment is and the timings that the pupil will not be in school by emailing thecollege@cambournevc.org.

If we do not receive prior notification to a morning absence, we will contact home and the absence will only be authorised on proof of the medical appointment upon the pupil's return.

When leaving for an appointment, the pupil must sign out at Reception and be collected by their parent or carer, and they must sign back in when they return.

Please remember that it is the parents/carers' responsibility to make sure that all emergency medication for your child is in school and in date.

PE clubs have started again!

Our pupils thoroughly enjoy these opportunities; however to continue to provide these, we require funding. Staff volunteer their time and expertise to run, coach and organise these additional sporting opportunities; however, money raised goes towards maintaining quality equipment, providing buses for travel to fixtures and paying external qualified coaches to lead sessions. As such, we are asking any student who is attending extra-curricular clubs to make a £10 voluntary donation each term towards these running costs. This can be paid on ParentPay.

This charge does not apply to pupils who have free school meals.

Many thanks for your continued support.

Cricket leadership opportunity for girls

We are delighted to offer girls in Year 9 and Year 10 the opportunity to take part in a free cricket leadership course being run by Cambridgeshire Cricket. The course is a great thing to take part in if you are thinking about becoming a sports leader, if you are already a sports leader and are looking to develop your skills, or you have taken BTEC/GCSE PE. The course will run on Thursdays after school (3-4pm) for 6 weeks, starting on Thursday 29th April, and you must attend all 6 sessions. The course will be made up of practical and theory aspects and is a great opportunity for you to learn more about leadership in sport. If you would like to take part, come along on Thursday and sign up outside the PE office. For more information, speak to Miss Gassner.

Year 10 Tests

As is routine in any usual year, Year 10 will have a period of tests this summer. This year, it will be in the fortnight of 05 to 16 July (excluding Friday 09 July).

Further details about these, including a timetable, will be shared in due course. We use these tests to give students an experience of revision and of sitting tests in exam conditions. It also helps to give an early indication of whether students are on the right track for their target grades. Please encourage your child to begin revision once they know the contents of the upcoming tests; "little and often" is the most useful and effective way of revising, as well as the best approach for mental wellbeing.

Any **year 9 student** who would like to apply to become a Sports Leader is welcome to collect an application form from outside the PE office.

Successful sports leaders will have the opportunity to getting involved in leading at clubs as well as at sports days and primary festivals and will be offered a range of different courses to further develop their sporting understanding.

It is a great opportunity for any student who loves sport and wants to get further involved in the life of the PE department.

We need more GREAT Sports Leaders

Combined Minds

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

Run, Rebel by Manjeet Mann

“I am restless, my feet need to fly.”

Amber is trapped - by her father's rules, by his expectations, by her own fears.

Now she's ready to fight - for her mother, for her sister, for herself.

Freedom always comes at a price.

Run, Rebel is a trailblazing verse novel that thunders with rhythm, heart and soul - perfect for fans of Sarah Crossan, Elizabeth Acevedo and Rupi Kaur.

Shortlisted for the 2021 CILIP Carnegie Medal.

Heroines of the Medieval World by Sharon Bennett Connolly

This work looks at the lives of the women - famous, infamous and unknown - who shaped the course of medieval history. Those who defied social norms and made their own future, consequently changing lives, society and even the course of history. Women had to walk a fine line in the Middle Ages, but many learned to survive - even flourish - in this male-dominated world. Some led armies, while others made their influence felt in more subtle ways, but all made a contribution to their era and should be remembered for daring to defy and lead in a world that demanded they obey and follow. **(Available from the School Library)**

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

LFD Screening

What is LFD

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone **is symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

Why should my child take part in weekly screening?

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

The weekly process

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If you do not want to use this app please continue to use the [Covid 19 Information](#) Form to log your results if Positive.

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via [Covid 19 Information](#)

Covid-19 symptoms

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.
- Please let us know the details of this by completing this form: [Covid 19 Information](#)

Self-isolate for 10 full days.

You need to self-isolate from the day the first person in your household started symptoms and for the next 10 full days. If they did not have symptoms, self-isolate from the day of their test and for the next 10 full days.
