MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

Year 11 Assessment

With great relief, we have submitted the grades for Year 11 to the exam boards, this week. Please see the message from Ms Gildea about this, later in the bulletin. Further information for Year 11 on the process for issuing results will follow in due course.

Year 10 Exams

These will take place this year between 5 and 16 July. Please encourage your children in Year 10 to plan their revision, leading up to their exams. Information on this was sent to parents of all Year 10 students and fully explained by Ms Gildea in the video on this link:

<https://www.loom.com/share/aaa83e3be85e46ff8ffdf970aceaccb3>

The Year 10 Exam Timetable can be found on our [website](#) as well as a guide to effective revision techniques can be found [here](#).

We are aware that some students have heightened concern over these exams since performance in Year 10 might be taken into account if Covid restrictions were still to prevent public exams taking place next year. We hope very much that this will not be the case, and your children can be reassured that a very full range of evidence, most drawn from Year 11, has been used this year. Year 10 exams are important in their own right, however, so please do support your child to prepare thoroughly, as per Ms Gildea's advice.

Covid Testing

Our rate of pupil testing has dropped to 53% over the past week. We know that cases amongst young people are increasing across the county, albeit from a low base, and we're desperate not to get back to a situation of contact tracing and large-scale isolations.

PLEASE continue to test your children and to report the results.

Everyone's Invited

The College is responding in a range of ways to this national initiative which has exposed the prevalent levels of sexual harassment experienced by many young people - mainly girls - and mainly through peer-on-peer abuse. Perhaps the most shocking finding from the 'Everyone's Invited' campaign is the extent to which many young people now regard some level of peer-on-peer harassment as 'normal' behaviour. Details of the College response to this issue will be fully explained in future issues of this bulletin.

I hope you have an enjoyable weekend - despite the wet weather!

Yours sincerely
Claire Coates

Submission of Year 11 Grades

Today (Friday 18th), we have signed off the submission of our grades for Year 11.

I would like to thank you for your patience with our sharing of data related to these, as Go4Schools had calculated percentages in unexpected ways, and to avoid confusion we limited parental access while we resolved the issues. I would like to reassure you that the miscalculated percentages were not generated by our staff, and did not influence or affect any of the grading process. When access is restored, the percentages visible to you will be accurate.

Next week, I will share further details about each subject's use of its various assessments to generate grades. We have to share these details with the exam authorities too, so that they can verify that our approach has been fair and thorough. We expect sampling of our marking, moderating and grading to take place by the exam boards next week.

As ever, thank you for your considerate support and understanding.
Ms Gildea.

Changes to timings at end of school day

Week Beginning 21st June onwards:

2:55pm leave Years 7 & 8

3:00pm leave Years 9 & 10

school diversity week

The **21st - 25th June** is **school diversity week** which we will be using as a chance to celebrate diversity in and outside our college community and to build on the ideas that we aim to always be an accepting school community and that we believe no one should face discrimination because they are different to others.

SHORTS in PE

As the temperature has increased, more and more students are wearing shorts for their PE lessons. Please can all parents and carers be reminded that students' shorts should not be cycling shorts nor made of tight stretchy fabric. Shorts should be coming down to mid-thigh length rather than the much shorter styles that several students have been wearing. If students are wearing inappropriate shorts or tight leggings, then freshly washed and appropriate shorts will be lent to them for the duration of the lesson.

Please refer to the following link for guidance on the school PE uniform: [CLICK HERE](#)

HYDRATION in PE

It is really important that students are bringing a reusable water bottle to lessons in order to stay hydrated. More and more students are coming to PE on a hot day without any drinks and this can lead to students feeling dizzy and having headaches. Students must also make sure that they are filling their water bottles up after break or lunch time rather than the start or end of PE lessons.

To notify us of any planned absences, please visit the [Absences](#) page on our website and submit an Absence Request Form, with 2 school days' prior notice for this to be reviewed for authorisation.

APPOINTMENTS

We strongly encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, pupils should be in school prior to/after the appointment and out of school for as little time as possible.

Missing registration AM or PM for a medical or dental appointment is counted as an authorised absence and advance notice is required for authorising these absences.

Please notify Reception of when an appointment is and the timings that the pupil will not be in school by emailing thecollege@cambournevc.org.

If we do not receive prior notification to a morning absence, we will contact home and the absence will only be authorised on proof of the medical appointment upon the pupil's return.

When leaving for an appointment, the pupil must sign out at Reception and be collected by their parent or carer, and they must sign back in when they return.

Please remember that it is the parents/carers' responsibility to make sure that all emergency medication for your child is in school and in date.

LFD Screening

What is LFD

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone **is symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

Why should my child take part in weekly screening?

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

The weekly process

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If you do not want to use this app please continue to use the [Covid 19 Information](#) Form to log your results if Positive.

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via [Covid 19 Information](#)

Covid-19 symptoms

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.

Please let us know the details of this by completing this form: [Covid 19 Information](#)
