# MESSAGE FROM THE PRINCIPAL

Dear Parents and Carers

## **Coronavirus**

This week, we have been watching carefully for announcements from the Department for Education, in the hope that 'bubble' restrictions will be eased for schools from the start of next term. For Cambourne Village College, this would mean a return to teachers teaching in their specialist rooms within their own departments, pupils able to circulate the school again, and freedom for teachers to move around their classrooms when teaching. Not being able to do these things has had a significant impact this year.

In the meantime, we are increasingly concerned at the growing rates of the virus locally and at the possibility of an outbreak in school which would lead to enforced isolation of many students, as is reported to be happening across the country. We most particularly do not want to be in the position of having to ask parents to isolate their children for the first part of the summer holiday. To help us to keep everyone in the school and community safe, please continue to test your children on Wednesday and Sunday and to report these results.

## **End of Year Assessment**

Our Year 10 students will be doing end-of-year exams under formal exam conditions for the next two weeks. Pupils in other years are undergoing assessments of various types so that teaching staff are in the best possible position to analyse the learning that has taken place and to plan their curriculum for next year.

## **Last Week of Term**

Although our full Activities Week programme of events can't take place this year, we are planning a week when normal lessons are replaced by year-group activities, and our traditional sports days will go ahead. From next term, if restrictions are lifted, we hope to return to a full programme of after-school activities, and residential and other trips.

Wishing you a very pleasant weekend,

Claire Coates

Principal

## Exciting book event next Thursday!

Next **Thursday, 8<sup>th</sup> July**, from 10 to 11am, **KS3** pupils are invited to take part in an exciting virtual school event with international best-selling author Robert Muchamore.

The event celebrates his latest book: *Robin Hood: Jet Skis, Swamps and Smugglers*. He is the author of the very popular series 'Cherub' and 'Henderson's Boys'.

If your child would like to attend, please let their English Teacher or Mr García know. We can only fit a certain number of students, so we may need to pick names out of a hat.

**About the Event** - Robert Muchamore talks about lockdown life, fifteen years as the bestselling children's author of the CHERUB series and more; the legend of Robin Hood and why he chose to reinvent it for a new generation of readers. Fans will have the chance to ask Robert questions about his characters, writing, inspiration... and everything in between!

## LFD Screening

### **What is LFD**

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone **is symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

### **Why should my child take part in weekly screening?**

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

### **The weekly process**

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If you do not want to use this app please continue to use the [Covid 19 Information](#) Form to log your results if Positive.

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via [Covid 19 Information](#)

### **Covid-19 symptoms**

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.

Please let us know the details of this by completing this form: [Covid 19 Information](#)

# FOLLOW THE RULES

**Make sure YOU PLAY YOUR PART to keep our schools safe.**

## FOLLOW THE RULES

**We are still in STEP 3 of the government roadmap**

- Up to six people, or a maximum of two households, can meet indoors. Including overnight stays and sleepovers
- Larger groups, of up to 30, can meet outdoors

### ! Wash your hands!

- Good hand hygiene is still very important
- Make hand washing the last thing you do before leaving the house, and the first thing you do when you get home

### ! Continue to wear a face covering when required

- Wear a face covering indoors where social distancing may be difficult

### ! Get tested twice a week and record the results

- Rapid testing at home is now available for all secondary school age children without symptoms
- By taking regular tests you can help to reduce the spread of the virus and help those around you stay healthy and safe

### ! Social distancing

- Try to stay at least 2 metres (3 steps) away from people you're not meeting with - you can choose to have close contact with friends and family

### ! Self-isolate if you develop symptoms

- The symptoms of COVID-19 are:** a high temperature, a new continuous cough or a loss or change to your sense of smell or taste
- To book a PCR test please visit [www.nhs.uk/coronavirus](http://www.nhs.uk/coronavirus) or phone 119

For regular updates and advice please check our websites [www.cambridgeshire.gov.uk](http://www.cambridgeshire.gov.uk) and [www.gov.uk](http://www.gov.uk)

### **LAST DAY OF TERM—12.40pm FINISH**

Look out for exciting information **regarding the last week of term plans.**

We will be collapsing normal lessons and working on some exciting projects in various curriculum areas and participating in sports days. All activities are being carefully risk assessed but hope to provide a well-deserved lift for pupils at the end of an unusual year where many extra-curricular opportunities couldn't take place.

The week will conclude on **Friday 23<sup>rd</sup> July** with celebration assemblies, tutor activities and an early school closure at **12:40pm!**

### **SHORTS in PE**

As the temperature increases, more and more students are wearing shorts for their PE lessons. Please can all parents and carers be reminded that students' shorts should be coming down to mid-thigh length rather than the much shorter styles that several students have been wearing. If students are wearing inappropriate shorts or tight leggings, then freshly washed and appropriate shorts will be lent to them for the duration of the lesson.

Please refer to the following link for guidance on the school PE uniform: [CLICK HERE](#)

### **HYDRATION in PE**

It is really important that students are bringing a reusable water bottle to lessons in order to stay hydrated. More and more students are coming to PE on a hot day without any drinks and this can lead to students feeling dizzy and having headaches. Students must also make sure that they are filling their water bottles up after break or lunch time rather than the start or end of PE lessons.

## After school access to the school Library for pupils in Years 7, 8, 9 and 10.

The school Library is open after school **from 3pm until 4pm** for pupils in Years 7, 8, 9 and 10 on the following days:

<b>Monday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<b>Year 8</b>	<b>Year 9</b>	<b>Year 7</b>	<b>Year 10</b>

They are welcome to do homework, use a computer for research, look for books or to come just for some quiet reading. Depending on the number of pupils accessing it, we could limit the time they can spend inside.

### **We are now running two Year 7 Music Clubs:**

Monday 3 – 4pm (Music Block): **Year 7 Band / Orchestra** – for ALL instrumentalists!  
*Whatever you instrument you play, you'd be welcome to come along, and join this band, and play with other Year 7 musicians.*

Thursday 3 – 4pm (Main Hall): **Music Theatre**

*We're going to be doing a mini-musical version of "Joseph and His Techni-coloured Dreamcoat"). We'll learn the songs first, and then as social distancing eases, we'll aim to put together a 15-20 minute version of this classic Andrew Lloyd-Webber show!*

### **And two Year 8 Music Clubs:**

Monday 3 – 4pm (Music Block): **Year 8 Band / Orchestra** – for ALL instrumentalists!  
*Whatever you instrument you play, you'd be welcome to come along, and join this band, and play with other Year 8 musicians.*

Wednesday 3 – 4pm (Main Hall): **Music Theatre**

*We're going to be doing a mini-musical version of "Beauty and the Beast"). We'll learn the songs first, and then as social distancing eases, we'll aim to put together a 15-20 minute version of this classic Disney show!*

### **And one Year 9 Music club:**

Friday 3 – 4pm (Music Block): **Music Theatre**

*We're going to be doing a mini-musical version of "Into the Woods"). We'll learn the songs first, and then as social distancing eases, we'll aim to put together a 15-20 minute version of this classic Stephen Sondheim show!*

Email me for more information ([gpage@cambournevc.org](mailto:gpage@cambournevc.org)) or encourage children in Years 7 – 9 to turn up at the rehearsal ready to play and sing!

**Film competition** Big Hair Assembly Film Competition — World Afro Day  
**“Make Films, Make Change”**

**Entry dates 12:00pm Friday 28 May 2021 - closes 12:00pm Friday 23 July 2021.**

The Big Hair Assembly film competition is an exciting opportunity for young people to create films to change the world! Your voice and your experiences about Afro hair are authentic and influential and the winning films will be showcased at The Big Hair Assembly and World Afro Day 2021 celebrations. You will be judged by a panel of your own peers from around the world.

Contestants minimum age is 10 years old on May 28th 2021 and no older than 18 years old on September 15th 2021. The age categories are 10-12 years, 13-15 years and 16-18 years. See full terms and conditions, [here](#).

Submit a **2-minute video clip** entry via the Showworks platform. The film can be in any expression e.g. short film, news report, drama, poetry, animation or any performance etc but must not include any copyrighted external material or music. Don't wear large logos/branded clothing!

**The film must clearly answer these essential competition questions below:**

- 1. What does Afro hair mean to you?**
- 2. How is Afro hair viewed or treated in your own country?**
- 3. What change do you want to see for Afro hair globally?**

While filming, all entrants should follow the appropriate government and health advice relating to coronavirus restrictions in their own country.

Each contestant/group may only make one entry to the competition. Schools can make multiple entries made up of individuals and groups. Winners must record a winners thank you speech, if they cannot appear live at The Big Hair Assembly on **15 September 2021**. Winners are expected to be available for media interviews on **World Afro Day 15 September 2021**.

This week we have **Sarah Baron** talking on:

**What is reality? How the brain shapes our perception and what can go wrong in neurological disorders.**

**Abstract:** Our perception of the world and reality is governed by chemical signals and electrical impulses that run through our brain and nervous system at speeds of up to 230 mph (the top speed of an F1 car!). Our brain and nervous system controls everything from our eating behaviours, sleeping patterns, memory, co-ordination and all of our senses (touch, taste, smell, hearing, sight, balance, time of day)! It's a hugely complex system that controls almost every aspect of our being, so it comes as no surprise that even a small change following an injury or during development can hugely impact a person's sense of self and reality. During this talk we will explore the different components that make up the brain and nervous system and how they function in a healthy person. We will then explore some common developmental, neurological and neuropsychiatrist conditions and consider how this may alter a persons ability to process the world and if treatments are always necessary. We will then end by briefly discussing my career path, my current research and consider other non-traditional scientific jobs beyond University and academic roles.

# Message from SWI SchoolWear

Since 2020, Covid-19 has impacted the supply chain of school wear around the world leading to major service challenges throughout the industry. This has been exacerbated by the global shipping issues that have impacted our supply chain and caused more delays. Due to managing our own supply chain, our close relationship and supply agreements with your school, we have been able to mitigate the impact of Covid-19 and shipping delays.

However, we are confident that all orders placed before our recommended date of **Monday 2<sup>nd</sup> August 2021** will be delivered before the start of term.

Please see the SWI [Parent Plan](#) for more information.

**Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.**

# BOOK RECOMMENDATIONS

***The Night Bus Hero*** by Onjali Q. Raúf

I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero.

But I'm going to prove them all wrong...

Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good... ***(Available from the School Library)***

***What's Happening to Me?*** by Alex Firth

Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. ***(Available from the School Library)***

# ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

## YEAR 10 POST 16 TRANSITION

Open events at local colleges and sixth forms

**Attendance at most of the events below are to be self-organised by parents/pupils.**

We will share all information received on these events, but it is pupils'/ parents' responsibility to register attendance with the individual sixth form/college and organise travel accordingly. If attending a face-to-face open/taster day that falls on a school day, a planned absence form will need to be completed, so that student absence can be authorised.

Completed forms should be returned to the attendance officer at [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) or handed into reception. Planned absence forms can be found at: <https://www.cambournevc.org/parent-carer-and-student-information/absence.php>

# Virtual Year 10 Programme: Insight into Careers in the NHS

Together  
Safe  
Kind  
Excellent

**5<sup>th</sup> August 2021, 10am - 2.45pm**

Are you leaving Year 10 going into Year 11 in September, then why not sign up for this programme and see what NHS career may suit you.

There are over 350 roles in the NHS - here are just a few explained to you.

Apply online: <https://addenbrookes.onlinesurveys.ac.uk/year-10-programme>

The **HR Specialist role** in the Army is like no other role, teaching your students about responsibility and providing the chance to move up into senior roles such as Chartered Accountant. They will do the level 3 Business Administrator Apprenticeship and build valuable skills like teamwork, personal development and organisation. Click below to find out more.

HR specialists in the Army have a number of key responsibilities, including:

- Serving within any unit of the British Army
- Making an immediate impact, with responsibility from day one

Moving into specialist support roles such as a Chartered Accountant

Students can apply for the role from age 15 years 7 months, and start aged 16 ½ years with GCSE grades 9-3 in at least English Language and Maths. We'll also consider vocational qualifications such as an NVQ in Business Administration.

There are exceptional travel opportunities, with Army HR Specialists working in every British Embassy and High Commission around the world. Discover more in our video below.

### [Watch Video](#)

Virtual careers event – **Insights: Your Guide to Careers in Uniformed Services.** This event will be held between **5pm and 6.45pm on Thursday, 8<sup>th</sup> July 2021.**

This event has been designed to showcase a range of careers within uniformed services, including the armed forces, fire & rescue and healthcare sectors. The uniformed services perform vital roles across the country - whether you're working on the front line, or providing support behind the scenes in roles like HR, marketing or operations. Our volunteers will be able to give you an insight into what it's like to do their job, and the training opportunities that are out there.

This virtual event is open to all students from Years 8 and above, as well as their parents / guardians, and has been designed to allow students to:

- Learn about the pathways available into careers in these industries, from apprenticeships to university and graduate schemes.
  - Discover the best subjects to study for different careers in the industry.
  - Interact and connect with some of the region's leading organisations, all on hand to provide insight into their sector. Come prepared with all of your burning questions!
  - Find out about jobs that you may have never realised existed.
- Access advice and guidance on your next steps.

In order to register a place, please click on the following link:

<http://bit.ly/FtFInsights5>

It is important that parents/students visit the registration page and make an actual booking. Unless they do this, they will not be able to attend on the night as they will not receive the event link.

## The Oakes College, Year 10 Open Evening - update

Following the government's announcement to extend the current restrictions until 19<sup>th</sup> July at the earliest, The Oakes College can unfortunately no longer welcome students and parents/carers on site to experience the open event this July.

This event will however be replaced with a virtual platform, which will include tours, an opportunity to explore all the subjects on offer as well as meet the Oakes leadership team and students.

If you'd like to attend this online open event, please sign up via the following link, which will enable you to book directly and receive a virtual ticket:

<https://www.eventbrite.co.uk/e/summer-open-evening-tickets-154547468639>

Please also be aware, The Oakes are still planning to host an in-person open event on the Oakes site on **Tuesday 12<sup>th</sup> October**.

### Safeguarding note

*When taking part in online events, it is important that students are always mindful of online safety. Whilst an appropriately trained adult will be present in each virtual meeting, not all representatives presenting will have an enhanced DBS as this is not a requirement as part of their job role. Presentations are recorded; as such, please be aware that any username used during the event may be visible to new viewers. It is recommended that full names are not used as usernames (either a combination of first initial and surname, or first name and initial of surname is preferred). There is an opportunity to engage with event representatives and to ask questions during events such as these; all communication should take place via the prescribed chat functions, and only during the event itself. Students accessing the sessions should be extra vigilant about disclosing any further personal, identifiable information.*

## ABSENCE REQUEST

To notify us of any planned absences, please visit the [Absences](#) page on our website and submit an Absence Request Form, with 2 school days' prior notice for this to be reviewed for authorisation.

## APPOINTMENTS

We strongly encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, pupils should be in school prior to/after the appointment and out of school for as little time as possible.

Missing registration AM or PM for a medical or dental appointment is counted as an authorised absence and advance notice is required for authorising these absences.

Please notify Reception of when an appointment is and the timings that the pupil will not be in school by emailing [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org).

If we do not receive prior notification to a morning absence, we will contact home and the absence will only be authorised on proof of the medical appointment upon the pupil's return.

When leaving for an appointment, the pupil must sign out at Reception and be collected by their parent or carer, and they must sign back in when they return.

**Please remember that it is the parents/carers' responsibility to make sure that all emergency medication for your child is in school and in date.**

- Professional arts events and Community Cinema
  - Evenings, weekends and school holidays
- For all of Cambourne and the surrounding area

## How can you help?

Scan the QR code or visit:  
<https://www.cambournevc.org/about-us/charitable-trust/>

## We need more funds!

To get to where we are today has cost £145,000 so far!

To be able to bring a CINEMA to Cambourne, we need YOUR support to raise the final £100,000, by December 2021, for:

- Professional quality cinema screen and projector
- Surround-sound speakers

Cambourne Village College has built a new performance hall, with the help of our Town and County Councils!

Funding from Cam Academy Trust and the College, and fundraising by CamVC's Charitable Trust, means that hopefully by September 2021, we will be delivering:

- Musical and theatre performances for audiences of up to 350
- A full stage, lighting and top-quality tiered seating experience

In addition, we now have the ambition to:

- Show box-office films just weeks after national release
- Stream live broadcasts of west-end theatre, ballet and opera
- Employ a Community Arts Officer to grow the Arts offering for local people
- Attract professional touring theatre and dance companies

# Online Safety Tips

## KEEPING YOUR CHILD SAFE ONLINE

Your child/children may be online more than usual at the moment. Please see below some links to helpful ideas and materials around keeping children safe online:

## Staying Safe

## Combined Minds

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

## TEAMS | ONENOTE

Microsoft Teams, Teams assignments, and OneNote are becoming increasingly more central to the way we are providing and receiving work. Below are some resources to help you support your children with these services.
