IMPORTANT NOTICE

Year 7 CATs—w/c 27th September 2021

Year 7 students will be sitting cognitive ability tests (CATs) from **Monday 27th September**. A letter has been sent on SchoolPost to year 7 parents giving full details of these. No revision or preparation work is required for these and students should not worry about these at all as they are used to give us a broad view of each student and how they learn.

The tests will be done on iPads in class and so we would be grateful if parents could remind students to make sure their iPads are fully charged and they bring their headphones to school. They may also have a bottle of water on their desk.

These are the times that each form group will be taking their test:

Monday 27th September:	7R and 7U
Tuesday 28th September:	7N and 7E
Wednesday, 29th September:	7O and 7V
Thursday, 30th September:	7A and 7C
Friday, 1st October:	7B and 7M

If you have any queries regarding the assessments, please contact your child's form tutor in the first instance.

Attendance

Reporting your Child's absence from school

We are currently experiencing a high level of notifications for pupil absence in the morning and our phonelines are very busy. The best way to report your child's absence from school is to email thecollege@cambournevc.org preferably before 8:30am in the morning. Please use this email rather than contacting the Year teams or a member of staff directly, as the inbox is manned all the time and notifications will not be missed if there is a staff absence.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absence. Just reporting 'unwell' is not sufficient and this will be followed up by the Year team.

Reporting your Child's absence from school

COVID

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this through the [COVID Information form](#) and this will be dealt with by our school nurse and the year team notified of the pupils absence.

Medical Appointments

If your child is going to be absence from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email thecollege@cambournevc.org with the date and time of the appointment and if possible a copy of the appointment letter/card. This will ensure the Year team and reception staff are aware of your child arriving late/leaving early so that the necessary arrangements can be put in place. Please note, if your child needs to leave early for an appointment it is their responsibility to inform the teacher they need to be excused early and to make their own way down to reception. Members of staff are not expected to collect pupils from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign out through our main reception.

Planned Absence Request

For any planned absence where it is not a medical appointment, please complete a [planned absence request form](#). We would appreciate if these could be completed and submitted for review where possible 2 weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as unauthorised on your child's attendance record.

Changes to section 444 of The Education Act 1996 brought into effect in September 2013, removes the right of Head Teachers to authorise term time leave; therefore all applications for leave in term time will be unauthorised unless there are exceptional circumstances which must be detailed in writing to the Head Teacher at least 2 weeks prior to removal of the child from school.

All students in Years 9-11 with an interest in History, Film, and Politics, are invited to attend a free screening of '**Black lives on screen**'. This event uses a wealth of film from the BFI archive that represents the experiences of Black British people.

Event details:: The British Film Institute holds a rich archive of films relating to Black British History. Many of the films are explicitly about the Black experience in 20th century Britain, others capture the Black presence in and amongst other elements of British life. While some of the films confirm our understanding, many are surprising. Join us as we explore recordings of lived experience in 20th-century Britain and stories of migration.

Note: The school is closed on this day. Students will need to be at school from 10.30am-12.15pm to take part.

Speak to Miss Angell if you have any questions

Young Carers

Young Carers group will run from 3.10-4pm and students will initially meet in the Link but different activities will be planned weekly.

All year groups are welcome. Young Carer lunchtime drop-ins will also be on Mondays in the Link.

Inspiring tomorrow's gardeners - today!

Cambridge American Cemetery are developing an outreach programme aimed at inspiring young people interested in potential careers in **Horticulture, Gardening and Turfcare**.

The programme would provide insight into the varied disciplines involved in the maintenance and management of, sports pitches; golf courses; racecourses; parks and gardens. For those interested in Horticulture, an overview of tree and shrub maintenance; pruning technique; control of pests and diseases; implementation of environmentally friendly initiatives and best practices for use of garden machinery and tools is planned - as is the opportunity for students to have a go on one of the ride on mowers!

Cambridge American Cemeteries would like to gauge interest levels to inform their planning and delivery of the programme and need your help! - if you think that your child would be interested attending a programme such as this please complete [this very short form!](#)

10 September 2021

Dear Year 11 Students and Parents/carers,

As the new academic year begins and you move towards completing your GCSEs, you will be considering which post-16 pathway is right for you to continue your learning journey. At IIC, we pride ourselves on being the UK's top non-selective provider of the International Baccalaureate (Sunday Times, Parent Power 2020) and have been offering a world-class education for over 30 years. Over the coming months we will be hosting a number of different events to highlight what we have to offer at IIC.

IIC Tours: 20 September – 1 October

From the 20 September to 1 October, we will be hosting several ticketed 30-minute tours for prospective students and parents. During the tour, you will have a chance to walk around the site to see the facilities, meet IIC staff and students and visit some 6th form lessons. Tours are limited to 20 tickets per event so if you would like to book a ticket to attend, please do so by clicking the following link: <https://www.eventbrite.co.uk/e/impington-international-college-tours-for-prospective-students-2022-entry-tickets-167875027727>

IIC Open Evening – 21 October (4:45 – 8pm)

On Thursday 21 October we are holding our on-site Open Evening for 2022 entry. You will be able to book a timed entry slot. During the event you will have a chance to hear more about the different programmes on offer, meet subject specialists and students and get to know our College. Tickets are limited to 50 per time slot so if you would like to book a ticket to attend, please do so by clicking the following link: <https://www.eventbrite.co.uk/e/impington-international-college-open-evening-2022-entry-tickets-170263640131>

Online 1:1 meeting

If you are unable to attend any of our events, or have specific questions you would prefer to ask individually and would like to book an online 1:1 meeting with a member of our 6th form leadership team, please complete the following form and a member of the team will be in contact to arrange a suitable date and time for the meeting: <https://forms.office.com/r/4dH0G3qEsg>

We look forward to welcoming you to our many events at Impington International College.

Yours faithfully

Children of the Quicksands by Efuia Traoré

City girl Simi is sent to stay with her long-lost grandmother in a remote Nigerian village. There's no TV, internet or phone. Not a single human-made sound can be heard at night, just the noise of birds and animals rustling in the dark forest outside. Her witchlike grandmother dispenses advice and herbal medicine to the village, but she's tight lipped about their family history. Something must have happened, but what? Determined to find out, Simi disobeys her grandmother and goes exploring. Caught in the sinking red quicksand of a forbidden lake, her fantastical journey begins ...

Winner of the 2019 Times/Chicken House Children's Fiction Competition ***(Available from the School Library)***

Hannibal by Eve MacDonald

In this groundbreaking biography Eve MacDonald expands the memory of Hannibal beyond his military feats and tactics. She considers him in the wider context of the society and vibrant culture of Carthage which shaped him and his family, employing archaeological findings and documentary sources not only from Rome but also the wider Mediterranean world of the third century B.C. MacDonald also analyzes Hannibal's legend over the millennia, exploring how statuary, Jacobean tragedy, opera, nineteenth-century fiction, and other depictions illuminate the character of one of the most fascinating military personalities in all of history. ***(Available from the School Library)***

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

Return of FREE public lectures!

We hope that these free lectures help to foster a love and interest in a variety of subjects. There will be a range of speakers and the opportunity to ask questions at each lecture. This also fits in with our wider school remit of being a Village College, inspired by the ideas of Henry Morris, in which schools should act as a community hub and that education is a lifelong process. Everyone is welcome!

For this academic year we are hoping to have a mix of virtual and in-person events. Details about how to join the events (free of charge) and recordings of our previous lectures are available via the school website <https://www.cambournevc.org/news-and-events/education-all.php> and via Twitter: @Education__All

Pompeii in its own words.

Pompeii was buried in ash by the eruption of Vesuvius in 79 AD, preserving the houses, possessions, and even bodies of its inhabitants. But it also preserved thousands of

words: carved, painted, scratched into walls. In this talk Dr Zair will discuss what sort of information we can get from these ancient writings, in particular about how Pompeii went from being an enemy of Rome to a 'typical' Roman town; about the society and culture of Pompeii; and about literacy and education.

Staying Safe

**Combined
Minds**

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

LFD Screening

What is LFD

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone **is symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

Why should my child take part in weekly screening?

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

The weekly process

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If you do not want to use this app please continue to use the [Covid 19 Information](#) Form to log your results if Positive.

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via [Covid 19 Information](#)

Covid-19 symptoms

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.

Please let us know the details of this by completing this form: [Covid 19 Information](#)

How can you help?

Scan the QR code or visit:
<https://www.cambournevc.org/about-us/charitable-trust/>

We need more funds!

To get to where we are today has cost £145,000 so far!

To be able to bring a CINEMA to Cambourne, we need YOUR support to raise the final £100,000, by December 2021, for:

- Professional quality cinema screen and projector
- Surround-sound speakers

Cambourne Village College has built a new performance hall, with the help of our Town and County Councils!

Funding from Cam Academy Trust and the College, and fundraising by CamVC's Charitable Trust, means that hopefully by September 2021, we will be delivering:

- Musical and theatre performances for audiences of up to 350
- A full stage, lighting and top-quality tiered seating experience

In addition, we now have the ambition to:

- Show box-office films just weeks after national release
- Stream live broadcasts of west-end theatre, ballet and opera
- Employ a Community Arts Officer to grow the Arts offering for local people
- Attract professional touring theatre and dance companies

Students IT Support

If your child needs a password reset, for example to their email, Show My Homework or any of the platforms we use at the College, or if they have any issues with their iPads, please email cam-support@cambournevc.org.

We will aim to respond to any enquiry within 24 hours.
