GCSE Revision Guides

We are offering a **number of revision guides for different subjects to our year 10 and 11 students studying their GCSE's.**

If you would like to purchase one, please check your **child's ParentPay account** to check what guides are available. **Please make payments as soon as possible as some guides will need to be ordered into school.**

Bike Sheds

Please remember that the **bike sheds are locked daily at 8:40am and re-opened again 2:45pm.**

If a student is late we kindly advise them to secure their bikes in the **shelter to the right of reception.**

We would also recommend securing their bike/scooter to the shelter to the right of reception **if there is an urgent appointment they must attend** to ensure there will be no delays whilst waiting for the bike sheds to be unlocked.

Thank you.

Curriculum Extension Days

We are looking forward to our two **curriculum extension days on Thursday and Friday** next week (for whole year groups for Years 7-10). The days are carefully planned to inspire and stretch students, as well as add to what they are learning in class. By now you will have received notification of any trips your children are involved in, next week.

If your child is unwell on the day we would be grateful if you could email TheCollege@CambourneVC.org as early as possible.

Insights: Your Guide to Apprenticeships

20th October 2021, 6pm-7:30pm

Join apprentice employers and qualified Careers Professionals as we explore all things Apprenticeships

- ☆ Explore Apprenticeships
- ☆ Meet apprentice employers
- ☆ Access free careers guidance and support as you make post-16 choices
- ☆ Get your questions answered

This free event is for students in Year 10 and above, and their parents and guardians. Register at:

Insights: Your Guide to Apprenticeships. This event will be held between **6pm and 7.30pm on Wednesday, 20th October 2021.**

This event has been designed to support students with their Post-16 options by providing an insight into the world of Apprenticeships. Apprenticeships offer young people an alternative gateway into the world of work – a job which enables you to learn, gain experience and get paid at the same time. Apprenticeships cover a broad range of sectors, including healthcare, business & administration, construction, design, digital, accountancy and law, to name but a few. This event will provide a unique opportunity to meet the region's leading Apprenticeship companies, as well as training providers. Current apprentices will be on hand to give an insight into what it's like to do their job, and the training opportunities that are out there.

This virtual event is open to all students from Years 10 and above, as well as their parents / guardians, and has been designed to allow students to:

- Learn about apprenticeships, including entry requirements
- Interact and connect with some of the region's leading Apprenticeship employers, all on hand to provide insight into their sector. Come prepared with all of your burning questions!
- Find out about jobs that you may have never realised existed.
- Participate in discussions exploring topics such as: 'What to do if you don't know what to do?'

Access free advice and guidance on your next steps from our qualified Careers Professionals.

There has been positive feedback from parents that have joined previous events, the organiser would like to stress that parents are just as welcome to attend.

In order to register a place, please click on the following link: <https://bit.ly/FtFInsights6>

It is important that parents/students visit the registration page and make an actual booking. Unless they do this, they will not be able to attend on the night as they will not receive the event link.

CTSN SCITT
The Cambridge Teaching Schools Network Training Partnership

Dear Parent/Carer

Thinking about becoming a teacher?

But not sure about the next steps?

Then, please come along to our next online recruitment event to find out more.

We have our first 'Train to Teach with CTSN SCITT' event on Monday 18th October between 6 & 7pm. We recruit people who have a passion for education and want to inspire young people to fulfil their potential, onto both our primary and secondary courses. If you think this could be you then book a place at our information evening via this Eventbrite link and come and talk to us.

<https://www.eventbrite.co.uk/e/ctsn-scitt-train-to-teach-information-evening-tickets-184534566857?aff=ebdssbeac>

General information about teacher training is available on the DfE's [Get into teaching website](#) and more specific information about training with CTSN SCITT on [our own website](#). But we would always recommend that you also talk to one of our team prior to applying so we'd be delighted to see you on 18th October. There will be a short presentation followed by a Q&A session and the opportunity for one-to-one discussions.

If you have any problems with booking or would like more information about the event please email Jane Catley at jcatley@camtrust.org.uk If you can't attend the event, we hope to host further ones later in the academic year and we are always happy to arrange appointments for short one-to-one discussions.

Kind regards

Primary and Secondary Recruitment teams CTSN SCITT

*CTSN SCITT is committed to safeguarding and promoting the welfare of children and young people.
We expect all staff and trainees to share this commitment.*

BOOK RECOMMENDATIONS

Road Trip by Marvin Thompson

Road Trip is a striking first collection by a poet with illuminating and entertaining stories to tell and an accomplished craft in using both traditional and contemporary forms in telling them. As a poet of Jamaican heritage, born and raised in north London, Marvin Thompson brings together all those passages of place and time in fresh and revealing ways. Thompson has a refreshing, curious and honest eye that transforms and illuminates the everyday into something special and unique, but also a convincing vision of possibility and even of the uplifting. ***(Available from the School Library)***

Zeppelin Hunters by Simon Chapman

1915. German Zeppelin airships were bombing London and nothing could be done about it. They flew too high up for the British biplanes to shoot them down. But they did have one major weakness: they were filled with explosive gas. ***(Available from the School Library)***

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

COVID Testing - LFD testing

What is LFD

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone is **symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

Why should my child take part in weekly screening?

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

The weekly process

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via thecollege@cambournevc.org

Covid-19 symptoms

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.

Please let us know the details of this by emailing thecollege@cambournevc.org **making sure the full name of the student and their tutor group is included with the date, symptoms and the test undertaken.**

On the week commencing 1st November, all parents will have access to an electronic online safety session delivered by ECP. Access will be 24 hours a day for the duration of this week.

A link will be sent directly to all parents for access to the session which is 1 hour in duration. The session can be paused, fast forwarded and re-winded. Following the session there will be handouts of the presentation which we will share with parents.

Online Safety For Parents & Carers

Provided by a specialist from Education Child Protection Ltd.

What is covered in the session?

What children are taught about online safety (specific to their age)

Latest trends of what children are doing online

Details of the current 'apps' & games that children are using & playing

The issues & dangers children face online

How we can make children safer online

Details of what support is available for you & your family

What parents & carers who have had us deliver our sessions say...

"I thought it was well-paced, useful and well-delivered"

"Lots of clear information, well presented"

"Although I attended as a parent, I am also a teacher. I will be recommending that we hold a session like this for the parents at my school"

Our online safety sessions are regularly updated to reflect the ever-changing online world & with children using devices to access the internet well before they start school, we would encourage all parents & carers to attend!

Attendance

Reporting your Child's absence from school

We are experiencing a high level of notifications for pupil absence in the morning and our phonelines are very busy. The best way to report your child's absence from school is to email thecollege@cambournevc.org before 8:30am in the morning. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

COVID

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on thecollege@cambournevc.org. This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

Medical Appointments

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email thecollege@cambournevc.org with the date and time of the appointment and if possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, it is their responsibility to inform their teacher that they need to be excused early and to make their own way down to Reception. Members of staff are not expected to collect pupils from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Planned Absence Request

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

Changes to section 444 of The Education Act 1996 brought into effect in September 2013, remove the right of Headteachers to authorise term-time leave. Therefore all applications for leave in term time will be unauthorised unless there are exceptional circumstances which must be detailed in writing to the Headteacher at least 2 weeks prior to removal of the child from school.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

Staying Safe

**Combined
Minds**

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

TEAMS | ONENOTE

Microsoft Teams, Teams assignments, and OneNote are becoming increasingly more central to the way we are providing and receiving work. Below are some resources to help you support your children with these services.

SecondHandUniform

We currently have a large number of good quality second hand uniforms available for purchase at a discounted rate. Please complete the form: [Second-Hand Uniform Request](#) and enter what uniform needs your child has.

With reception being open until **9pm each week night during term time**, there is an opportunity to organise a Covid safely-distanced visit to the school to 'see before you buy' at hours to suit you.

Please email our evening receptionist **Liz Staines** to organise a time slot: El-Staines@cambournevc.org

Thank you for your continued support with your children's return to school by sending them back in such smart uniform.

Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.

We need more funds!

To get to where we are today has cost £145,000 so far!

To be able to bring a CINEMA to Cambourne, we need YOUR support to raise the final £100,000, by December 2021, for:

- Professional quality cinema screen and projector
- Surround-sound speakers

Cambourne Village College has built a new performance hall, with the help of our Town and County Councils!

Funding from Cam Academy Trust and the College, and fundraising by CamVC's Charitable Trust, means that hopefully by September 2021, we will be delivering:

- Musical and theatre performances for audiences of up to 350
- A full stage, lighting and top-quality tiered seating experience

In addition, we now have the ambition to:

- Show box-office films just weeks after national release
- Stream live broadcasts of west-end theatre, ballet and opera
- Employ a Community Arts Officer to grow the Arts offering for local people
- Attract professional touring theatre and dance companies

Students IT Support
