## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

On the **week commencing 1<sup>st</sup> November**, all parents will have access to an **electronic online safety session delivered by ECP**. The course lasts for 1 hour and is available at any point in the week from Monday 1<sup>st</sup> November until Sunday 7<sup>th</sup> November 2021.

Please find below the link to provide **immediate** access to the session. Once you enter your details, the session **will start immediately**.

Once you start the training you can pause/fast forward/rewind but **DO NOT log out of the training platform or close the web browser window**. If for any reason your device crashes during the training, please contact us on [info@ecplimited.com](mailto:info@ecplimited.com) for support. Our online safety sessions are regularly updated to reflect the ever-changing online world & with children using devices to access the internet well before they start school, we would encourage all parents & carers to attend!

### **Safeguarding note**

*When taking part in online events, it is important that students are always mindful of online safety. Whilst an appropriately trained adult will be present in each virtual meeting, not all representatives presenting will have an enhanced DBS as this is not a requirement as part of their job role. Presentations are recorded; as such, please be aware that any username used during the event may be visible to new viewers. It is recommended that full names are not used as usernames (either a combination of first initial and surname, or first name and initial of surname is preferred). There is an opportunity to engage with event representatives and ask questions during events such as these, all communication should take place via the prescribed chat functions, and only during the event itself and students accessing the sessions should be extra vigilant about disclosing any further personal, identifiable information.*

## PE Fixtures

There are a large number of fixtures that take place across the year and many pupils are selected for these based on the participation in clubs.

Parents should note that pupils will be selected and informed about fixtures prior to the event and given the timings of these and details about the location and what to wear. This information is displayed on the board outside the PE office for all pupils to see.

It is expected that it is pupils' responsibility to pass on this information to parents.

We therefore do not get written consent for every fixture each week.

If any parent does not agree with their child being selected and taken on fixtures in this way please contact the school to make alternative arrangements.

## Parents (and visitors) attending sports fixtures

If any parent would like to come along to one of our PE fixtures and watch, they are more than welcome to do so **after 4pm**. If any parent arrives before 4pm, they will be politely asked to wait off site until 4pm. Parents should also note that there are no toilets available.

# BOOK RECOMMENDATIONS

***Unwritten - Caribbean Poems After the First World War***  
by Karen McCarthy Woolf (Editor)

What does it mean to fight for a 'mother country' that refuses to accept you as one of its own? Britain's First World War poets changed the way we view military conflict and had a deep impact on the national psyche. Yet the stories of the 15,600 volunteers who signed up to the British West Indian Regiment remain largely unknown. Sadly, these citizens of empire were not embraced as compatriots on an equal footing. Instead they faced prejudice, injustice and discrimination while being confined to menial and auxiliary work, regardless of rank or status. As a collaborative project, co-commissioned by 14-18 NOW, BBC Contains Strong Language and the British Council, Unwritten Poems invited contemporary Caribbean and Caribbean diaspora poets to write into that vexed space, and explore the nature of war and humanity - as it exists now, and at a time when Britain's colonial ambitions were still at a peak. **(Available from the School Library)**

***Haunted Britain*** by Daniel Blythe

Britain is full of ghost stories and legends. Explore creepy castles and mysterious mansions. Join the tour of terror and find out where to see the most famous ghosts and ghouls up and down the land! And decide whether you believe in ghosts - or if you think they're just made up for spooky fireside stories. **(Available from the School Library)**

# ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

## Reporting your Child's absence from school

We are experiencing a high level of notifications for pupil absence in the morning and our phonelines are very busy. The best way to report your child's absence from school is to email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

### **Covid**

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org). This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

### **Medical Appointments**

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

[thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, it is their responsibility to inform their teacher that they need to be excused early and to make their own way down to Reception. Members of staff are not expected to collect pupils from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

### **Planned Absence Request**

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

*Changes to section 444 of The Education Act 1996 brought into effect in September 2013, remove the right of Headteachers to authorise term-time leave. Therefore all applications for leave in term time will be unauthorised unless there are exceptional circumstances which must be detailed in writing to the Headteacher at least 2 weeks prior to removal of the child from school.*

## COVID Testing - LFD testing

### **What is LFD**

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone **is symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

### **Why should my child take part in weekly screening?**

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

### **The weekly process**

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org)

### **Covid-19 symptoms**

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.

Please let us know the details of this by emailing [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) **making sure the full name of the student and their tutor group is included with the date, symptoms and the test undertaken.**

## We need more funds!

To get to where we are today has cost £145,000 so far!

- Professional quality cinema screen and projector
- Surround-sound speakers

Cambourne Village College has built a new performance hall, with the help of our Town and County Councils!

Funding from Cam Academy Trust and the College, and fundraising by CamVC's Charitable Trust, means that hopefully by September 2021, we will be delivering:

- Musical and theatre performances for audiences of up to 350
- A full stage, lighting and top-quality tiered seating experience

In addition, we now have the ambition to:

- Show box-office films just weeks after national release
- Stream live broadcasts of west-end theatre, ballet and opera
- Employ a Community Arts Officer to grow the Arts offering for local people
- Attract professional touring theatre and dance companies
