We hope you enjoyed your 'Online safety for parents & carers' session & found it useful & informative.

Below are some key messages for you to give your child & some things for you to consider...

Key messages for your child about staying safe 'online'

Keep personal information private

Consider how they treat others when online

If they send nude or sexually explicit images of themselves or any other young person (including forwarding on) they are committing a criminal offence

Consider who they can talk to if they are ever worried about something that happens online & that it is never too late

Not everything they read or see online is necessarily true & so always check the source of the information

Never arrange to meet up with someone they have met online

Save evidence of any abusive or inappropriate messages, images or videos

REPORT ABUSE

How & where they can report abuse or inappropriate communication

How you can keep your child safe 'online'

Promote yourself as someone they can talk to if they are worried about anything that happens online, & that it is never too late to tell or report

Check privacy settings on all accounts within apps & games

Set up time limits for how long your child is online

Check they are not sharing their location via social media 'apps'

Put passwords on any bank cards linked to devices/ accounts

Monitor who it is they are communicating with via messages & headsets

Ensure they are reminded never to meet up with an online friend

Use the resources available to you to educate yourself on the 'apps' or games they are using / playing

Where you can get more help/ support...

www.kidsonlineworld.com is a website from ECP Ltd
"The more you know, the better!"

Updates via emails and vlogs, & full of information for parents about the latest apps & games that children are using. It is designed to help you make an informed decision regarding the suitability of apps & games & how to use them in the safest way

**Children
in Need**

**Non-uniform
day!**

Cambourne Village College **Non Uniform day** will be on **FRIDAY 19th NOVEMBER**

All pupils are allowed to come in non-uniform next Friday for a **£1 donation** to support Children in Need or their Year Group Charity.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

Kooth provides a safe, secure means of accessing help via the internet. By accessing Kooth, young people can benefit from:

A free, confidential, anonymous, and safe way to receive support online.

Online Counselling from a professional team of BACP qualified counsellors is available via 1-1 chat sessions or messaging on a drop in basis or via booked sessions.

No referral is required. Young people can register for kooth independently via kooth.com

If you have any questions or would like to discuss what Kooth.com can offer, please address them to the school/[professional]. If you would prefer to contact Kooth directly, simply email parentsandcarers@kooth.com.

Safeguarding note

When taking part in online events, it is important that students are always mindful of online safety. Whilst an appropriately trained adult will be present in each virtual meeting, not all representatives presenting will have an enhanced DBS as this is not a requirement as part of their job role. Presentations are recorded; as such, please be aware that any username used during the event may be visible to new viewers. It is recommended that full names are not used as usernames (either a combination of first initial and surname, or first name and initial of surname is preferred). There is an opportunity to engage with event representatives and ask questions during events such as these, all communication should take place via the prescribed chat functions, and only during the event itself and students accessing the sessions should be extra vigilant about disclosing any further personal, identifiable information.

Year 11 Mock Exams

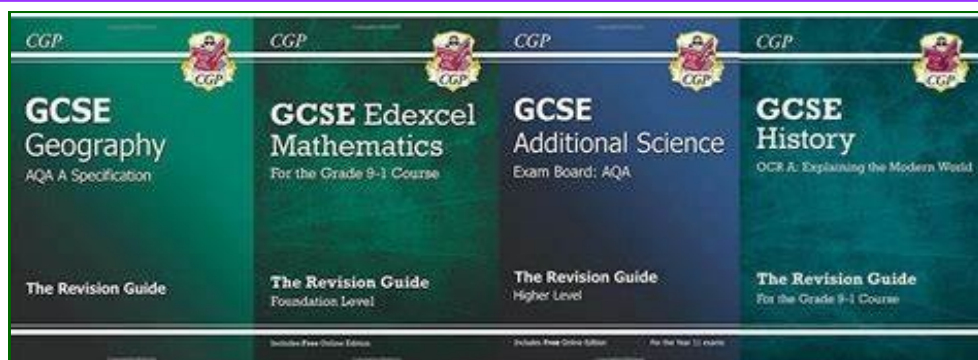

Year 11 students

Year 11 students are due to be sitting their mock exams later this term, from **30th November to 13th December**. Full details of the timetable can be found on the school website, or by following this [link](#). There is also some general information about exams on this page.

Students will soon be given individual exam timetables – any queries or concerns about this should be addressed with the exams team in school or by emailing them on: cam-examsteam@cambournevc.org.

There are a number of revision sessions taking place after school should students need extra support or guidance. Please encourage your child to speak to their subject teacher about this if they would like further guidance. Revision guides are also available for several subjects. Subject teachers will have information about these, if needed.

We would encourage students to keep up with their revision for these exams and to take advantage of all revision sessions on offer. Please do raise any concerns at the parent consultation evening or contact the exams team on the email address above.

GCSE Revision Guides

We are offering a **number of revision guides for different subjects to our year 10 and 11 students studying their GCSE's.**

If you would like to purchase one, please check your **child's ParentPay account** to check what guides are available. **Please make payments as soon as possible as some guides will need to be ordered into school.**

To help with your revision for the upcoming mock exams, the following **English revision** sessions will be taking place:

Wednesday 17th November: Language paper 2 Section B revision with Mr.Dove

Wednesday 24th November: Language paper 2 Section A revision with Mrs.Macwhinnie

Please come down to **Pink 15** at the end of the day if you wish to attend. These sessions are available to all pupils and will end at 4.15pm.

MUSIC CLUBS

New lunchtime clubs for Years 7 & 8!

Tuesday lunchtime: Junior Choir

We've started learning some songs for Christmas – so if your child enjoys singing, encourage them to come along to Junior Choir in the Music Department on Tuesday lunchtimes!

Wednesday lunchtime: Beginners Ukulele Club

We are starting with classes to do some ukulele sessions, but if your child would like to learn some new chords and practise their ukulele skills, then encourage them to come along on Wednesdays for Beginners Ukuleles (absolute beginners very welcome!)

To help them to take part in a 30-minute rehearsal, if pupils are regularly attending Junior Choir or Beginners Ukulele then they are given permission to leave their period 4 lesson a few minutes early to get to the front of the lunch queue.

The following clubs still run after school:

Concert Band: Years 7 – 11 (Monday 3 – 4pm)

Jazz Band: Years 9 – 11 (Tuesday 3 – 4pm)

Senior Choir: Years 9 – 11 (Friday 3 – 4pm)

LIVE
MUSIC

Instrumental Lessons

If your child would like some additional one-to-one music lessons (on a range of instruments, or as a singer) then please consider signing them up for instrumental lessons. They can start at any time.

Further information, and a new online sign-up form can be found on the school website: [Instrument lessons - Cambourne Village College \(cambournevc.org\)](https://www.cambournevc.org/instrument-lessons)

If you would like your child to have instrumental lessons, and they receive the pupil premium, we are able to contribute significantly towards the cost of these lessons. Please contact gpage@cambournevc.org for further details.

Donated instruments

If you have musical instruments that have not been played for years that you would like to donate to the music department, they are always very gratefully received, either to use in the department or to pass onto pupils looking for a beginner instrument. In the past we've had a number of keyboards, guitars, ukuleles, drum kits, flutes, clarinets and violins all gratefully received! Please bring them to the school Reception!

Christmas Presents!

If your child is enjoying playing ukulele, either in lessons or at Beginners Ukulele Club, please bear in mind that a ukulele makes a great Christmas present. You can get a decent instrument for around £25 (from Amazon – check out the reviews), or if you pay a little more you can get a higher quality instrument. Pupils don't need to have a ukulele for lessons, or to come to ukulele club, but many do enjoy also being able to play at home!

If you need advice on any other instruments (such as keyboards etc.) please email me (gpage@cambournevc.org) for more details.

PE Fixtures

There are a large number of fixtures that take place across the year and many pupils are selected for these based on the participation in clubs.

Parents should note that pupils will be selected and informed about fixtures prior to the event and given the timings of these and details about the location and what to wear. This information is displayed on the board outside the PE office for all pupils to see.

It is expected that it is pupils' responsibility to pass on this information to parents.

We therefore do not get written consent for every fixture each week.

If any parent does not agree with their child being selected and taken on fixtures in this way please contact the school to make alternative arrangements.

Parents (and visitors) attending sports fixtures

If any parent would like to come along to one of our PE fixtures and watch, they are more than welcome to do so **after 4pm**. If any parent arrives before 4pm, they will be politely asked to wait off site until 4pm. Parents should also note that there are no toilets available.

The Reading Room

From Monday November 8th the **CamVC Reading Room** will be opening in **Pink 12** every **Monday** and **Wednesday** lunchtime for anyone who would like a calm and quiet place to read a book. Bring your own, borrow one from the library or read one of ours.

For years 7 and 8:

The Cambookworm reading group will be starting after school on **Monday** November **8th** from **3-4pm** in **Pink 12**. We plan on sharing book recommendations and reading together. Come along to find out what we're about and share your love of books with like-minded people.

For years 9, 10 and 11:

We're planning on shadowing the Carnegie awards this year and would love to have you on board, so keep an eye on your notices to find out more information!

The Library is open to all pupils every day from 8am until Registration, at break, lunchtime and after school until 4pm (4:30pm on Tuesday).

Pupils are welcome to come to read, search for new books and borrow them, do homework or research, or use their iPad or the computers.

FREE LECTURE PROGRAMME

Public lecture notice

For this academic year we are hoping to have a mix of virtual and in person events. Details about how to join the events (free of charge) and recordings of our previous lectures are available via the school website <https://www.cambournevc.org/news-and-events/education-all.php> and via Twitter: [@Education_All](https://twitter.com/Education_All)

Our next FREE lecture is perfect for anyone interested in History! You can join online or watch it with Team History in Miss Angell's room afterschool.

Monday 15th November, 4pm - 5pm: Dr Elaine Murphy, Associate Professor of Maritime History, University of Plymouth.

Danger and Excitement: The Experiences of Women during the British Civil Wars of the 1640s

'I dread the sea so much, that the very thought of it frightens me': Queen Henrietta Maria wrote these words in 1642 to her husband King Charles I. During the Civil Wars she risked her life on multiple occasions to aid the royalist cause. In February 1643 a parliamentarian fleet fired on her at Bridlington near Newcastle. The queen described how: *before I could get out of bed, the balls were whistling on me in such style that you may easily believe I loved not such music.* As the experiences of Queen Henrietta Maria show the 1640s was a time of danger for many women. Others found excitement and opportunities during the conflict. This paper examines the experiences of women during the Civil Wars ranging from members of the royal family and nobles ladies to ordinary women. It will look at their interactions with military forces especially when their towns and homes came under attack and how some women took up arms to fight for each side. It will also consider the ways women engaged in the political and religious life of the country. As a maritime historian I will also explore some of the ways in which women went to sea during the war and the risks they ran.

BOOK RECOMMENDATIONS

House of Hollow by Krystal Sutherland

The Hollow sisters - Vivi, Grey and Iris - are as seductively glamorous as they are mysterious. And everyone knows who the Hollow sisters are. Because one day the three Hollow sisters simply disappeared. And when they came back, one month later, with no memory of where they had been, it was as if nothing had changed. Almost nothing, Apart from, for example, the little scar that had appeared in the hollow of their throats... and a whispering sense that something is not quite right about them, despite (or maybe because of) the terrible passion to be with them that they can exert on anybody at will.... ***(Available from the School Library)***

Gone to the woods by Gary Paulsen

The autobiography of author Gary Paulsen, telling of his life growing up in the woods of North America.

If not for his eight-hundred-mile journey from the busy Chicago city to a captivating Minnesotan farm aged five, there never would have been a Hatchet. Without the encouragement of the librarian who handed him his first book aged thirteen, he may never have become a reader. And without his daring teenage enlistment in the army, he might not have discovered his true calling as a storyteller. ***(Available from the School Library)***

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

COVID Testing - LFD testing

What is LFD

- Lateral Flow Device
- These are used for screening purposes only and should **not** be used if someone **is symptomatic**
- These tests are quick and easy to use at home and help to identify those who may have Covid-19 but aren't symptomatic

Why should my child take part in weekly screening?

- One third of infected individuals have no symptoms and unknowingly spread coronavirus infection. Community LFD testing is one method to help identify and then isolate those infected. This helps reduce the risk for others in the wider community who are more at risk of infection such as the elderly and those who have underlying health conditions, contacts that students and students families have outside of school.
- The government guidance for schools should you wish to read is <https://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-other-specialist-settings/rapid-asymptomatic-testing-in-specialist-settings>
- LFD testing is voluntary, and we respect any decision surrounding this however we would like to encourage this as much as possible

The weekly process

- Pupils should test on a **WEDNESDAY** and **SUNDAY** each week
- Results should be entered into TestRegister at [TestRegister.co.uk](https://www.testregister.co.uk)

If your LFD test result is **positive** please isolate as a household and book a **PCR test** immediately. We will be notified that the LFD test results is positive (if using TestRegister). Please notify us of the PCR result via thecollege@cambournevc.org

Covid-19 symptoms

- If you or anyone in your household has: a continuous cough, loss of taste/smell or high temperature, **isolate as a household** and book a **PCR test** ASAP. You should **NOT** use a LFD test at this point.

Please let us know the details of this by emailing thecollege@cambournevc.org **making sure the full name of the student and their tutor group is included with the date, symptoms and the test undertaken.**

Reporting your Child's absence from school

We are experiencing a high level of notifications for pupil absence in the morning and our phonelines are very busy. The best way to report your child's absence from school is to email thecollege@cambournevc.org **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

Covid

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on thecollege@cambournevc.org. This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

Medical Appointments

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

thecollege@cambournevc.org with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, it is their responsibility to inform their teacher that they need to be excused early and to make their own way down to Reception. Members of staff are not expected to collect pupils from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Planned Absence Request

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

Changes to section 444 of The Education Act 1996 brought into effect in September 2013, remove the right of Headteachers to authorise term-time leave. Therefore all applications for leave in term time will be unauthorised unless there are exceptional circumstances which must be detailed in writing to the Headteacher at least 2 weeks prior to removal of the child from school.

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please **email thecollege@cambournevc.org** so that we can arrange for your child to check our unnamed items.

If your child needs a coat/jacket and would like to look through our unnamed items to find something suitable for them, please ask them to go to their Year team office or email the College.

LOST
PROPERTY

SecondHandUniform

We currently have a large number of good quality second hand uniforms available for purchase at a discounted rate. Please complete the form: [Second-Hand Uniform Request](#) and enter what uniform needs your child has.

With reception being open until **9pm each week night during term time**, there is an opportunity to organise a Covid safely-distanced visit to the school to 'see before you buy' at hours to suit you.

Please email our evening receptionist **Liz Staines** to organise a time slot: El-Staines@cambournevc.org

Thank you for your continued support with your children's return to school by sending them back in such smart uniform.

Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.

Staying Safe

**Combined
Minds**

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

We need more funds!

To get to where we are today has cost £145,000 so far!

To be able to bring a CINEMA to Cambourne, we need YOUR support to raise the final £100,000, by December 2021, for:

- Professional quality cinema screen and projector
- Surround-sound speakers

Cambourne Village College has built a new performance hall, with the help of our Town and County Councils!

Funding from Cam Academy Trust and the College, and fundraising by CamVC's Charitable Trust, means that hopefully by September 2021, we will be delivering:

- Musical and theatre performances for audiences of up to 350
- A full stage, lighting and top-quality tiered seating experience

In addition, we now have the ambition to:

- Show box-office films just weeks after national release
- Stream live broadcasts of west-end theatre, ballet and opera
- Employ a Community Arts Officer to grow the Arts offering for local people
- Attract professional touring theatre and dance companies

Students IT Support
