## Year 11 GCSEs Revision Timetable

This revision timetable has been shared with all Year 11 pupils via Teams and has been designed for pupils to use if it is helpful for them. It runs from now until the end of the exams in June.

To use it, they can follow these easy steps:

1. Select subject options from the drop-down functions at the top of the revision timetable tab
2. Delete out any tabs for subjects they don't study (leave the Options Subjects List tab otherwise all the formatting won't work)
3. Use the built-in formatting to put a subject in each box of the revision timetable (this may take 10 minutes) and look at the tally along the top to try and ensure an even spread across the subjects
4. Stop selecting a subject after the final exam for that subject and focus on the exams remaining.

When pupils come to revise, they can look at the session lists for the particular subject and focus on the targeted topic and rotate through these i.e. when revising Geography, the first session would be looking at plate theory.

There is a tab which shows the different after-school sessions available on different days of the week. These can be factored in as part of planned revision time.

For more information please see our website: [Exams - Cambourne Village College \(cambournevc.org\)](http://www.cambournevc.org).

# LOST PROPERTY

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please **email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org)** so that we can arrange for your child to check our unnamed items.

There are also a large number of smaller personal items that have been in lost property all year. The pictures below show a sample of these. These (and many more) can be claimed from Reception.

**Please reclaim all lost property  
from Reception!**

# MUSIC

Music activities are up and running again this term, and we are really keen for pupils from all years groups to join our clubs.

## Lunchtime Clubs

**Tuesday lunchtime: Junior Choir**

**Wednesday lunchtime: Beginners Ukulele Club**

To help them to take part in a 30-minute rehearsal, if pupils are regularly attending Junior Choir or Beginners Ukulele then they are given permission to leave their period 4 lesson a few minutes early to get to the front of the lunch queue.

## The following clubs still run after school:

Concert Band: Years 7 – 11 (Monday 3 – 4pm)

Jazz Band: Years 9 – 11 (Tuesday 3 – 4pm)

Senior Choir: Years 9 – 11 (Friday 3 – 4pm)

## Instrumental Lessons

If your child would like some additional one-to-one music lessons (on a range of instruments, or as a singer) then please consider signing them up for instrumental lessons. They can start at any time.

Further information, and a new online sign-up form can be found on the school website: [Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

If you would like your child to have instrumental lessons, and they receive the pupil premium, we are able to contribute significantly towards the cost of these lessons. Please contact [gpage@cambournevc.org](mailto:gpage@cambournevc.org) for further details.

# Physical Education

## A quick reminder to all parents, carers and students of the health and safety rules in PE lessons.

Students should not be wearing earrings or any jewellery in their PE lessons. The covering of earrings with tape is not a sufficient safety measure; students should be fully removing all earrings in order to participate in their practical PE lessons.

Additionally, long nails, acrylics and nail extensions also pose a significant health and safety issue during PE. Please ensure all long nails or acrylics are cut short or removed for the start of term.

These rules are to keep everyone safe and we thank you for your support with ensuring students can abide by them.

## PE Fixtures

There are a large number of fixtures that take place across the year and many pupils are selected for these based on their participation in clubs.

Parents should note that pupils will be selected and informed about fixtures prior to the event and given the timings of these and details about the location and what to wear. This information is displayed on the board outside the PE office for all pupils to see.

It is expected that it is pupils' responsibility to pass on this information to parents.

We therefore do not get written consent for every fixture each week.

If any parent does not agree with their child being selected and taken on fixtures in this way, please contact the school to make alternative arrangements.

## Parents (and visitors) attending sports fixtures

If any parent would like to come along to one of our PE fixtures and watch, they are more than welcome to do so **after 4pm**. If any parent arrives before 4pm, they will be politely asked to wait off site until 4pm. Parents should also note that there are no toilets available.

## Barons' Sporting Bursary

We have been incredibly lucky to work alongside Barons BMW in Cambourne to create the Barons' Sporting Bursary. This bursary is awarded to any student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs and is primarily aimed at students of families who cannot afford to pay for these opportunities. Some examples of how the bursary can be used are:

- *Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club*
- *Paying for transport costs to get into Cambridge to participate in a club*
- *Paying for additional equipment e.g. a new hockey stick*
- *Paying for the entry costs of an event like the Cambridge Schools Cross Country*
- *Paying to attend a sports coaching or refereeing course such as a FA young officials course*

If your son/daughter would like to apply for the bursary then please encourage them to fill out the form [HERE](#) with as much information as possible about themselves and the sporting opportunity.

# BOOK RECOMMENDATIONS

## *October, October* by Katya Balen

October and her dad live in the woods. They sleep in the house Dad built for them and eat the food they grow in the vegetable patches. They know the trees and the rocks and the lake and stars like best friends. They read the books they buy in town again and again until the pages are soft and yellow - until next year's town visit. They live in the woods, and they are wild. And that's the way it is. Until the year October turns eleven. That's the year October rescues a baby owl. It's the year Dad falls out of the biggest tree in their woods. The year the woman who calls herself October's mother comes back. The year everything changes. **(Available from the School Library)**

## *Grown: the Black girls' guide to glowing up* by Melissa Cummings-Quarry

A guide to teenage life for Black girls and women. From understanding identity to the politics of hair to maintaining squad goals to dealing with microaggressions to consent to figuring out what career you might want, *Grown* has got your back. The authors share stories - the wins and the losses - and offer honest, practical advice that will show you how to own your choices. To live your truth without fear. To be grown on your own terms without limits or apologies. With a foreword from the inimitable Spice Girl Melanie Brown and contributions from inspirational Black women such as Diane Abbott MP, Dorothy Koomson and Candice Carty-Williams and gorgeous illustrations from Dorcas Magbalelo, *Grown* is a celebration of Black British girlhood that will empower you to live your very best life. **(Available from the School Library)**

# ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

CAMBOURNE  
VILLAGE COLLEGE

### Introducing our first FREE HISTORY COMMUNITY CONFERENCE 29th-30th April 2022

Register your interest here <https://forms.office.com/r/D8EAEKKSui>

Last academic year we hosted public lectures in the early evenings at school, which had been very well attended. More recently, these lectures have moved online via Microsoft Teams, and have had over 200 people – pupils, staff, members of the community as well as pupils and teachers from other schools – attending and contributing to discussions. We have so far hosted lectures with academics from the universities of Cambridge, Nottingham, Durham, Oxford, Southampton, and numerous others. You can view recordings of some of these lectures via our school website: <https://www.cambournevc.org/news-and-events/historic-all>

We have kept these events free of charge to reinforce our belief that education should be for all. The aim of these lectures is multifaceted: they expose our students and the wider community to academics and scholarly debate, and they are also intended for teachers to continue to build subject knowledge as a form of Continued Professional Development.

We have been overwhelmed with the positive response we have had from these lectures, and now are looking towards a face-to-face event to showcase the joy in learning about History! We plan to host a free 'Community Conference' 29th-30th April 2022 for our students, staff, local schools, and the wider community. We aim to have a programme that encompasses:

#### Friday 29th April

- 2pm-3pm: Dr James Crossland (Liverpool John Moores University): 'The First War on Terror': Bomb-Throwers, Spies and Panic in the Victorian Age
- 3.30pm-4.30pm: Professor Malcolm Gaskill: Witches on the Frontier: A Seventeenth-Century American Tragedy

#### Saturday 30th April

- 11.30am- 12.30pm: Family lecture TBC
- 1pm-2pm: Chris Thatcher (Oxford Archaeology): Cambourne's Archaeology
- 2.30pm-3.30pm: Professor Carenza Lewis (University of Lincoln): Digging pandemics: how to find the Black Death in your back garden.

### **EXCLUSIVE TO LONG ROAD SIXTH FORM COLLEGE APPLICANTS – TRIAL SESSION FRIDAY 8 APRIL!**

Complimenting your chosen study choice is a full-time training/games programme, which is designed to develop you as a footballer, as well as create opportunities within semi-professional/professional environments.

All commitments needed are midweek day time, so, whilst being able to continue playing for your current teams, the Scholarship Programme will provide you with the following benefits:

- 6-10 hours per week of games/training with UEFA qualified coaches who work at professional clubs.
- Individual Training Plans which focus on your position and improving the key attributes required to excel.
- Recorded Matches that are available for you to watch back and analyse.
- Access to Sport Therapists to monitor all injuries back to full recovery.
- Gym Sessions with qualified staff to correctly develop the physical demands of the sport.
- Guest Sessions from industry leading experts.
- + More.

Historically, this Scholarship has been a platform for a number of players to progress into Professional and Semi-Professional football, and we aim to continue this trend.

The two posters on the following pages are some documents about our trial on Friday 8th April.

If you, or anyone you may know, are interested in finding out more, then simply complete our application form, and a member of our team will be in touch to explain more.

## Reporting your Child's absence from school

The best way to report your child's absence from school is to email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

### **Covid**

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org). This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

### **Medical Appointments**

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

[thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

### **Planned Absence Request**

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

**Staying Safe**

**Combined  
Minds**

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
