# School Uniform

As a reminder for after the Easter Holidays, please check that your children are in full uniform for the start of the summer term. This includes skirts of the appropriate length and that branded shorts (of appropriate length) are only worn. Full information about our uniform policy is on our website: [Uniform - Cambourne Village College \(cambournevc.org\)](http://Uniform - Cambourne Village College (cambournevc.org))

Please also note that students' nails should be of a natural length and not visible over the fingers when viewed from the palm-side of the hand. Long acrylic nail extensions must be trimmed back before the start of term as these present multiple health and safety concerns in PE and other practical lessons. Extreme haircuts and colours deemed by the College as inappropriate are also not allowed.

Thank you for your help in ensuring all pupils look as smart as possible.

## SecondHandUniform

We currently have a large number of good quality second hand uniforms available for purchase at a discounted rate. Please complete the form: [Second-Hand Uniform Request](#) and enter what uniform needs your child has.

With reception being open until **9pm each week night during term time**, there is an opportunity to organise a visit to the school to 'see before you buy' at hours to suit you.

Please email our evening receptionist **Mrs Staines** to organise a time slot: [El-Staines@cambournevc.org](mailto:El-Staines@cambournevc.org)

**Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.**

# Activities Week

**Activities Week** is an annual action-packed week comprising fun activities and new experiences for Cambourne Village College students.

This year Activities Week is from Monday 18<sup>th</sup> July to Thursday 21<sup>st</sup> July.

Friday 22<sup>nd</sup> July is a half day.

Students break for the summer holidays at 12:40pm.

**Year 7** students are invited to a four-day residential at Beaumanor Hall. Communication regarding this went out on 14<sup>th</sup> December 2022 and can be found [here](#). Those students who do not wish to participate in this will work together for the four days through a package of activities put together by staff on site. Details of this activity will be sent nearer the time. Parents will be invited to make a small contribution for this.

**Year 8 & 9** will take part in exciting and stimulating activities both within school and off-site. More details of the activities available can be found in the [Activity Week booklet](#).

**Year 10** are off site on work placement.

If your child is in **Year 8 or 9**, hopefully, you received an email earlier this week asking you to submit the activities your child would most like to participate in.

If you have not received this email please contact Mrs Pearce at [VPearce@CambourneVC.org](mailto:VPearce@CambourneVC.org).

We would be grateful if you could submit your child's preferences by **Wednesday 30<sup>th</sup> March**; this will enable us to allocate places and notify students the week beginning the **25<sup>th</sup> April**.

# Physical Education

## A quick reminder to all parents, carers and students of the health and safety rules in PE lessons.

Students should not be wearing earrings or any jewellery in their PE lessons. The covering of earrings with tape is not a sufficient safety measure; students should be fully removing all earrings in order to participate in their practical PE lessons.

Additionally, long nails, acrylics and nail extensions also pose a significant health and safety issue during PE. Please ensure all long nails or acrylics are cut short or removed for the start of term.

These rules are to keep everyone safe and we thank you for your support with ensuring students can abide by them.

## PE Fixtures

There are a large number of fixtures that take place across the year and many pupils are selected for these based on their participation in clubs.

Parents should note that pupils will be selected and informed about fixtures prior to the event and given the timings of these and details about the location and what to wear. This information is displayed on the board outside the PE office for all pupils to see.

It is expected that it is pupils' responsibility to pass on this information to parents.

We therefore do not get written consent for every fixture each week.

If any parent does not agree with their child being selected and taken on fixtures in this way, please contact the school to make alternative arrangements.

## Parents (and visitors) attending sports fixtures

If any parent would like to come along to one of our PE fixtures and watch, they are more than welcome to do so **after 4pm**. If any parent arrives before 4pm, they will be politely asked to wait off site until 4pm. Parents should also note that there are no toilets available.

## Barons' Sporting Bursary

We have been incredibly lucky to work alongside Barons BMW in Cambourne to create the Barons' Sporting Bursary. This bursary is awarded to any student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs and is primarily aimed at students of families who cannot afford to pay for these opportunities. Some examples of how the bursary can be used are:

- *Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club*
- *Paying for transport costs to get into Cambridge to participate in a club*
- *Paying for additional equipment e.g. a new hockey stick*
- *Paying for the entry costs of an event like the Cambridge Schools Cross Country*
- *Paying to attend a sports coaching or refereeing course such as a FA young officials course*

If your son/daughter would like to apply for the bursary then please encourage them to fill out the form [HERE](#) with as much information as possible about themselves and the sporting opportunity.

## Community Conference

COMING SPRING 2022

follow @Historic\_All  
for updates

### Introducing our first FREE HISTORY COMMUNITY CONFERENCE 29th-30th April 2022

Register your interest here <https://forms.office.com/r/D8EAEKKSui>

Last academic year we hosted public lectures in the early evenings at school, which had been very well attended. More recently, these lectures have moved online via Microsoft Teams, and have had over 200 people – pupils, staff, members of the community as well as pupils and teachers from other schools – attending and contributing to discussions. We have so far hosted lectures with academics from the universities of Cambridge, Nottingham, Durham, Oxford, Southampton, and numerous others. You can view recordings of some of these lectures via our school website: <https://www.cambournevc.org/news-and-events/historic-all>

We have kept these events free of charge to reinforce our belief that education should be for all. The aim of these lectures is multifaceted: they expose our students and the wider community to academics and scholarly debate, and they are also intended for teachers to continue to build subject knowledge as a form of Continued Professional Development.

We have been overwhelmed with the positive response we have had from these lectures, and now are looking towards a face-to-face event to showcase the joy in learning about History! We plan to host a free 'Community Conference' 29th-30th April 2022 for our students, staff, local schools, and the wider community. We aim to have a programme that encompasses:

#### Friday 29th April

- 2pm-3pm: Dr James Crossland (Liverpool John Moores University): "The First War on Terror": Bomb-Throwers, Spies and Panic in the Victorian Age
- 3.30pm-4.30pm: Professor Malcolm Gaskill: Witches on the Frontier: A Seventeenth-Century American Tragedy

#### Saturday 30th April

- 11.30am- 12.30pm: Family lecture TBC
- 1pm-2pm: Chris Thatcher (Oxford Archaeology): Cambourne's Archaeology
- 2.30pm-3.30pm: Professor Carena Lewis (University of Lincoln): Digging pandemics: how to find the Black Death in your back garden.

# BOOK RECOMMENDATIONS

## *When the sky falls* by Phil Earle

It's 1940, and Joseph has been packed off to stay with Mrs F, a gruff woman with no great fondness for children. To Joseph's amazement, she owns the rundown city zoo where Joseph meets Adonis, a huge silverback gorilla. Adonis is ferociously strong and dangerous, but Joseph finds he has an affinity with the lonely beast. But when the bombs begin to fall, it is up to Joseph to guard Adonis's cage should it be damaged by a blast. Will Joseph be ready to pull the trigger if it comes to it? Inspired by a true story. **Shortlisted for the 2022 Carnegie Medal.** (Available from the School Library and on SORA)

## *The ecology book*

Explore ecology in this accessible introduction to how the natural world works and how we have started to understand the environment, ecosystems, and climate change. Why is greater biological diversity desirable? How was the hole in the ozone layer discovered? Is another mass extinction on the way? Throughout history, people have tried to order the living world and understand how it works. As our influence on the planet grows, answering these profound questions is becoming more and more pressing. (Available from the School Library)

# ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

## Reporting your Child's absence from school

The best way to report your child's absence from school is to email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

### **Covid**

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org). This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

### **Medical Appointments**

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

[thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

### **Planned Absence Request**

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

**Combined  
Minds**

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
