# Physical Education

## A quick reminder to all parents, carers and students of the health and safety rules in PE lessons.

Students should not be wearing earrings or any jewellery in their PE lessons. The covering of earrings with tape is not a sufficient safety measure; students should be fully removing all earrings in order to participate in their practical PE lessons.

Additionally, long nails, acrylics and nail extensions also pose a significant health and safety issue during PE. Please ensure all long nails or acrylics are cut short or removed for the start of term.

These rules are to keep everyone safe and we thank you for your support with ensuring students can abide by them.

## PE Fixtures

There are a large number of fixtures that take place across the year and many pupils are selected for these based on their participation in clubs.

Parents should note that pupils will be selected and informed about fixtures prior to the event and given the timings of these and details about the location and what to wear. This information is displayed on the board outside the PE office for all pupils to see.

It is expected that it is pupils' responsibility to pass on this information to parents.

We therefore do not get written consent for every fixture each week.

If any parent does not agree with their child being selected and taken on fixtures in this way, please contact the school to make alternative arrangements.

## Parents (and visitors) attending sports fixtures

If any parent would like to come along to one of our PE fixtures and watch, they are more than welcome to do so **after 4pm**. If any parent arrives before 4pm, they will be politely asked to wait off site until 4pm. Parents should also note that there are no toilets available.

## Barons' Sporting Bursary

We have been incredibly lucky to work alongside Barons BMW in Cambourne to create the Barons' Sporting Bursary. This bursary is awarded to any student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs and is primarily aimed at students of families who cannot afford to pay for these opportunities. Some examples of how the bursary can be used are:

- *Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club*
- *Paying for transport costs to get into Cambridge to participate in a club*
- *Paying for additional equipment e.g. a new hockey stick*
- *Paying for the entry costs of an event like the Cambridge Schools Cross Country*
- *Paying to attend a sports coaching or refereeing course such as a FA young officials course*

If your son/daughter would like to apply for the bursary then please encourage them to fill out the form [HERE](#) with as much information as possible about themselves and the sporting opportunity.

# BOOK RECOMMENDATIONS

## *Punching the air* by Ibi Aanu Zoboi

One fateful night, an altercation in a gentrifying neighbourhood escalates into tragedy. Suddenly, at just sixteen years old, Amal Shahid's bright future is upended: he is convicted of a crime he didn't commit and sent to prison. Despair and rage almost sink him until he turns to the refuge of his words, his art. This never should have been his story. But can he change it? With spellbinding lyricism, award-winning author Ibi Zoboi and prison reform activist Yusef Salaam tell a moving and deeply profound story based on real events about how one boy is able to maintain his humanity and fight for the truth, in a system designed to strip him of both. **Shortlisted for the 2022 Carnegie Medal.** (Available from the School Library and on SORA)

## *The careers handbook*

Concise and combining a user-friendly approach with a bold, graphic design, The Careers Handbook is like having your very own career coach. (Available from the School Library)

## Apprenticeship scheme at Cambridge University Hospitals (Addenbrookes Hospital and the Rosie)

- We would like to raise awareness that there are around 350 different roles across the NHS, and although doctors and nurses are incredibly important, and we have a great apprenticeship degree pathway for nursing, we also have roles and apprenticeships in a range of different areas which include; admin, management, radiography, occupational therapy, science and Estates and Facilities, amongst others.
- We have over 400 apprentices on around 22 different qualifications currently. These include people in a range of ages, roles, backgrounds and academic ability.

NHS apprenticeship routes vary from Level 2 to Level 7. Some are available immediately for new starters, and others can be obtained when already working as a staff member at the hospital. We recruit at varying times of the year, depending on when departments have appropriate vacancies.

Please note apprenticeships are *not* an easy route. It is challenging for anyone to work in a fulltime role and study and succeed in a qualification at the same time, but the work based learning and development, funding for the qualification and salary received can offer a great alternative to traditional college or university qualifications.

Please see the flyer below and look through the websites listed. Also, although not listed on the flyer, our team facilitate apprenticeships and widening participations programs for Royal Papworth Hospital. They have less routes available for direct school or sixth form leavers, but we can inform about their career options. Feel free to email for more information.

**What is an Apprenticeship?**  
An Apprenticeship is a nationally recognised qualification where you learn practical skills on the job and knowledge whilst studying for the qualifications. It is a great way to earn whilst you learn.

## ATTENDANCE

### Requesting authorised absence for Eid-Al-Fitr

Many Muslim families will be celebrating Eid at the beginning of May. The school understands that some students may take time off for religious observance. This is an authorised absence, but we still require families to inform us of their intention for their child to be absent for this day and a [Request Form for Planned Absence](#) must be completed and returned to the Schools Main Reception at least 2 school days prior to Eid.

In line with the Government guideline, it is only the official day set apart by the religious body that can be approved for religious observance.

### Planned Absences Request

For any planned absences from school, other than medical appointments, a planned absence request form must be completed and returned to the Attendance Officer at least 2 weeks prior to removal of the child from school. This is so the school can consider each application individually and request further information or evidence if required for approval.

When considering requests for term-time absence, we will take into account the specific facts, circumstances and relevant context behind the request. A pupils attendance records and prior requests for leave will also be taken into consideration.

If due to circumstances you are unable to give 2 weeks' notice, please inform the school as soon as possible so that we can still review your request. If you take your child out of school without prior approval this can be marked as an unauthorised absence.

### Term Time Holidays

If you are planning a holiday during term time, please be aware that it is the Academy's policy not to authorise holidays unless there are exceptional circumstances.

**Cambridgeshire County Council states:** *The fundamental principles for defining 'exceptional' are "rare, significant, unavoidable, short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time.*

Please refer to [Cambridge County Council](#) for initial guidance on term time holidays before completing the college's [Request Form for Planned Absence](#).

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

## Staying Safe

## Combined Minds

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
