The Young Quills Shortlist 2022

Recently the History department received a large bundle of historical fiction ready to review for the **Young Quills Historical Fiction award!**

Students across Y7-Y11 took part and had the opportunity to not only read a brand-new book but write a review.

We are thrilled that so many of our students' reviews are now available on the *Historical Association* website <https://www.history.org.uk/aboutus/module/8788/young-quills-reviews-2022>

These reviews have helped to create the shortlist for the Young Quills awards:

10-13 years

- *The Swallows' Flight*, by Hilary McKay, Macmillan Children's Books
- *Torn Apart: The Partition of India*, by Swapna Haddow, Scholastic
- *When the Sky Falls*, by Phil Earle, Andersen Press
- *The Week at World's End*, by Emma Carroll, Faber & Faber
- *Arctic Star*, by Tom Palmer, Barrington Stoke
- *Our Beautiful Game*, by Lou Kuenzler, Faber & Faber

14+

- *We Played with Fire*, by Catherine Barter, Andersen Press
- *A Rebel in Auschwitz*, by Jack Fairweather, Scholastic
- *Skin of the Sea*, by Natasha Bowen, Penguin

Copies of all these books are available to borrow from the History department.

BOOK RECOMMENDATIONS

The Good Hawk by Joseph Elliott

Agatha is a good Hawk. She patrols the sea wall with pride, despite those in her clan who question her right to be there, because of the condition she was born with. But when disaster strikes and her clan is brutally swept away in the longboats of an invading horde, she must leave the island and team up with the only other survivors - Jaime, a skinny teenage Angler who is afraid of the sea, and Lileas, a young girl from a rival tribe - to find a way of rescuing the only family they have ever known. Their journey will take them from the Isle of Skye across the haunted Scotian mainland, where ravenous wild wolves, an abandoned queen and a horde of murderous shadows lie waiting for them. **(Available from the School Library)**

Travels With My Sketchbook by Chris Riddell

After two years travelling the United Kingdom, visiting schools, libraries and festivals, and meeting thousands of children, this book provides a glimpse of the incredible journey Chris has been on during his time as Children's Laureate. Full of sketches, doodles, and pages from The Laureate Log - his daily record of his time as Laureate - this beautiful hardback has been lovingly curated by his daughter Katy, who is a talented illustrator in her own right. With its cloth binding, ribbon marker, beautiful end papers, and full-colour interiors, this truly is a book to treasure. **(Available from the School Library)**

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

Find it here: [Recommended Articles](#)

MUSIC CLUBS

Instrumental Lessons

Would your child like to start instrumental or singing lessons?

Your child could receive instrumental lessons on any of the following instruments:

Piano, Keyboard, Guitar, Bass Guitar, Drums, Flute, Clarinet, Violin, Trumpet

They can also have singing lessons!

If you would like to sign them up to start lessons, then please fill in the online form:

[Instrument lessons - Cambourne Village College
\(cambournevc.org\)](http://cambournevc.org)

If your child receives the Pupil Premium they are able to get a big discount towards the cost of lessons, so if they are interested please do fill in the form, or email gpage@cambournevc.org

Music Clubs

Music Clubs are starting again this week, and there are lots of different musical activities your child can join:

Monday (3-4pm): Concert Band (*All instrumentalists Years 7 – 11 welcome*)

Tuesday lunchtime: Junior Choir (*Years 7 & 8*)

Tuesday (3-4pm): Jazz Band (*Years 9 – 11*)

Wednesday lunchtime: Beginner Ukuleles (*Years 7 & 8*)

Friday (3-4pm): Senior Choir (*Years 9 – 11*)

All pupils are welcome, whether they've attended before, or not. We are looking forward to all these groups performing in this term's Summer Concert!

As we come to the end of year 11 core PE, if there are any year 11 students who will no longer be using their CamVC PE kits we would really appreciate having them in the PE department to repurpose them to allow all our students to be able to access their PE lessons without the barrier of a lost or forgotten PE kit.

Donations of PE kit can be left at reception labelled for the PE department.

This also includes old trainers or Astros/studs that may longer be required.

Physical Education

Dear Parents and Carers,

The PE department are absolutely delighted to be running clubs and fixtures again, and it has been fantastic to see so many pupils getting involved in extra-curricular activities.

As you are probably already aware, the extra-curricular sport programme at Cambourne VC is exceptionally strong. It is our aim in the PE department to have every pupil access our extra-curricular provision at some point throughout the week. To help us achieve this, we have created a varied programme of clubs that will change on a termly basis, to allow everyone to find something they enjoy. Pupils can choose whether to come along and enjoy being active with their friends or to train to improve their performance. We would really love to see as many pupils there as possible!

Our pupils thoroughly enjoy these opportunities; however to continue to provide these, we require funding. Staff volunteer their time and expertise to run, coach and organise these additional sporting opportunities; however, money raised goes towards maintaining quality equipment, providing buses for travel to fixtures and for external qualified coaches to lead sessions. As such, we are asking any student who is attending extra-curricular clubs to make a £10 voluntary donation each term towards these running costs. This can be paid on ParentPay under the clubs tab.

Many thanks for your continued support,

Lindsey Gassner

PE Teacher and Sporting Opportunities Co-ordinator

Barons' Sporting Bursary

We have been incredibly lucky to work alongside Barons BMW in Cambourne to create the Barons' Sporting Bursary. This bursary is awarded to any student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs and is primarily aimed at students of families who cannot afford to pay for these opportunities. Some examples of how the bursary can be used are:

- *Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club*
- *Paying for transport costs to get into Cambridge to participate in a club*
- *Paying for additional equipment e.g. a new hockey stick*
- *Paying for the entry costs of an event like the Cambridge Schools Cross Country*
- *Paying to attend a sports coaching or refereeing course such as a FA young officials course*

If your son/daughter would like to apply for the bursary then please encourage them to fill out the form [HERE](#) with as much information as possible about themselves and the sporting opportunity.

Long Road Open Evenings: Tuesday 5th & Wednesday 6th July 2022

At Long Road Sixth Form College there's lots of choice: A levels, practical Diplomas, a mix of the two or GCSE re-sits.

Choose an Applied Science Diploma or an A level in Biology, Chemistry, Physics or Environmental Science, and you'll benefit from the college's well-established links with top universities and the local research community including the neighbouring Cambridge Biomedical Campus.

How about an Applied Diploma in Sport or a PE A level? Our on-campus sport facilities, basketball academy and hi-tech student gym is everything you need to stay both fit and focused.

If you're a creative individual, you could study an Applied Diploma in Art or Graphic Design, or an A level in Art, DT or Photography, giving you access to our bespoke art studios, specialist design workshops and photography darkroom. When you're ready, you can graduate to our Level 4 Foundation Art course to really kick-start your creative career.

Whichever direction you take, as a member of our friendly, vibrant and dynamic community you can develop the skills, independence and focus you need to keep moving forward.

BOOK NOW: Long Road Open Evenings 5th & 6th July, 5pm – 9pm

To ensure our event is safe and enjoyable for everyone we are asking you to **book 1 ticket per person** for our Open Evening.

With staggered arrival times in place, simply select your preferred date and time slot and book your required number of tickets!

If you have any questions please contact us via email at hel-lo@longroad.ac.uk

Insight into NHS Careers Virtual Summer Programme 2022

27th & 28th July 2022, 10am - 3pm

There are over 350 roles in the NHS and not all of them are patient facing care or in a hospital setting. Have you thought you might like to be in engineering? Did you know you could do this and many other roles in the NHS?

Join us for a 2-day programme where you'll have the opportunity to find out about some of the roles available in the NHS:

- Digital Communications
- Speech and Language
- Mental Health Care Roles
- Finance
- Human Resources
- Allied Health Professions
- Portering
- Pathology
- Medical
- Social Care
- Social Worker
- Midwifery
- Radiology
- Nursing
- Healthcare Science
- Water Quality Team
- Information Technology
- Ambulance Service
- Apprenticeships
- Operating Department

To register - www.bit.ly/nhsSummerProgramme2022

Apprenticeship scheme at Cambridge University Hospitals (Addenbrookes Hospital and the Rosie)

- We would like to raise awareness that there are around [350 different roles across the NHS](#), and although doctors and nurses are incredibly important, and we have a great apprenticeship degree pathway for nursing, we also have roles and apprenticeships in a range of different areas which include; admin, management, radiography, occupational therapy, science and Estates and Facilities, amongst others.
- We have over 400 apprentices on around 22 different qualifications currently. These include people in a range of ages, roles, backgrounds and academic ability.

NHS apprenticeship routes vary from Level 2 to Level 7. Some are available immediately for new starters, and others can be obtained when already working as a staff member at the hospital. We recruit at varying times of the year, depending on when departments have appropriate vacancies.

Please note apprenticeships are *not* an easy route. It is challenging for anyone to work in a fulltime role and study and succeed in a qualification at the same time, but the work based learning and development, funding for the qualification and salary received can offer a great alternative to traditional college or university qualifications.

Please see the flyer below and look through the websites listed. Also, although not listed on the flyer, our team facilitate apprenticeships and widening participations programs for Royal Papworth Hospital. They have less routes available for direct school or sixth form leavers, but we can inform about their career options. Feel free to [email](#) for more information.

What is an Apprenticeship?
An Apprenticeship is a nationally recognised qualification where you learn practical skills on the job and knowledge whilst studying for the qualifications. It is a great way to earn whilst you learn.

Are you thinking about an Apprenticeship?

Why not start a career in the NHS?

What Types of Apprenticeships can I do?

• Payroll	• Healthcare	• Business Administration
• Occupational Therapy	• Lab Technician	• Customer Service
• Finance	• Carpentry	• Healthcare Science
	• Nursing	

What are the benefits of being an apprentice?

- Paid annual leave (27 days)
- No College or University debt! (paid for by employer)
- Training role with lots of support from Line- Manager, Mentors, College Assessor and pastoral care support from the Work Opportunities Team (CUH)
- NUS/NHS Discounts

Details of the different types of apprenticeships CUH offer:
www.careers.cuh.nhs.uk/apprenticeships/

Apprenticeship Application Criteria:

- 16 or over depending on Apprenticeship.
- Right to work in the UK and have had UK residency for the last 3 years.
- Not currently in full-time education.
- Some apprenticeships require certain GCSE grades, depending on the qualification offered, however you will need basic literacy and numeracy skills for all apprenticeships.
- Level 2 Apprenticeship requires Grade 3 (D)
- Level 3 Apprenticeship requires Grade 4 (C)

How long will I be employed for?

A standard Apprenticeship at CUH is for a minimum fixed term of 16 months up to 4 Years.

Together-Safe | Kind | Excellent

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please **email thecollege@cambournevc.org** so that we can arrange for your child to check our unnamed items.

If your child needs a coat/jacket and would like to look through our unnamed items to find something suitable for them, please ask them to go to their Year team office or email the College.

SecondHandUniform

We currently have a large number of good quality second hand uniforms available for purchase at a discounted rate. Please complete the form: [Second-Hand Uniform Request](#) and enter what uniform needs your child has.

With reception being open until **9pm each week night during term time**, there is an opportunity to organise a Covid safely-distanced visit to the school to 'see before you buy' at hours to suit you.

Please email our evening receptionist **Liz Staines** to organise a time slot: El-Staines@cambournevc.org

Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.

Reporting your Child's absence from school

The best way to report your child's absence from school is to email thecollege@cambournevc.org **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

Covid

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on thecollege@cambournevc.org. This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

Medical Appointments

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

thecollege@cambournevc.org with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Planned Absence Request

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

Staying Safe

Combined Minds

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

TEAMS | ONENOTE

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

Students IT Support

If your child needs a password reset, for example to their email, Show My Homework or any of the platforms we use at the College, or if they have any issues with their iPads, please email cam-support@cambournevc.org.

We will aim to respond to any enquiry within 24 hours.
