## Year 10 GCSE History Revision

**3.10pm-4pm every Tuesday** with Mr Green and Mr Olivey.

Please remind your children they need to come upstairs to the Blue wing to take part .

They should be using their revision schedule, but can speak to [Miss Angell](#) if you or they have any questions or concerns.

We are delighted to announce that homework club is running again for the rest of the Summer Term.

All students are invited.

If your child needs help with homework, a place to work or to use a computer, they can come to **Blue 13** on **Mondays, Wednesdays** and **Thursdays** from **3pm to 4pm**.

This will always be supervised by members of staff.

## Cambridgeshire Ancient Greek Online Academy for September 2022

After our very successful pilot year we are opening up registrations from Y8-Y10 students in any state secondary school in the area. Students are invited to register initially for an 'no strings attached' introductory term. After this introduction students are able to continue to a GCSE in Ancient Greek in three years. Although teaching is online there are also non-compulsory Saturday morning sessions at the Classics Faculty in Cambridge once a half term. All teachers are qualified and DBS checked teachers. All information is contained in the attached leaflet and the link for signing up to the Academy is here <https://forms.gle/otJHEHbVQs7Sbj4x8>. This is totally FREE for state school pupils. Please note that we were overwhelmed with interest last year and closed registrations within a week! Students are required to share a teacher contact - please use Miss Angell's email ([jangell@cambournevc.org](mailto:jangell@cambournevc.org)) for this and ask Miss Angell if you have any questions!

### **Cambridgeshire Online Ancient Greek Academy**

is an initiative developed by Classics for All and with support from Cambridge School Classics Project (CSCP) and the University of Cambridge Faculty of Classics.

We offer the opportunity for students aged from Y8-Y10 the opportunity to learn Ancient Greek. Students will be able to work towards a GCSE over three years, and perhaps continue further!

All teaching and resources are **FREE** for state school pupils in Cambridgeshire.

### **Tell me more!**

Weekly lessons are all ONLINE on a Tuesday evening 4.30-6pm during term time. Every half term there are optional face to face meetings including language teaching and lectures to introduce students to the Classical World, which are held at the Faculty of Classics in Cambridge on a Saturday morning.

All teachers are experienced and qualified DBS checked Classics teachers. No prior knowledge of Greek is required, simply the enthusiasm to give it a go. There is no obligation to continue after the first introductory term, although of course we hope you will wish to! Introductory classes will be between 20-30 students, but places are limited!

## Why learn Ancient Greek?

- It's fun and challenging!
- Adds to your understanding of English
- Helps in learning other languages
- Makes links between languages, humanities, philosophy and the arts
- Improves your ability to think logically
- Great if you want to study law, medicine or sciences
- Stand out from the crowd on your University application
- Valued by many professions, from finance to law
- Read literature (including the New Testament), ancient literature and philosophy in the original language
- Enables you to understand classical references in art, theatre, film, computer games and literature

## How do I join?

We are now registering students to join us in September 2022. We encourage students to give it a go, and if you find it is not for you, then simply let us know.

To register please fill in this simple form

# Physical Education

Dear Parents and Carers,

The PE department are absolutely delighted to be running clubs and fixtures again, and it has been fantastic to see so many pupils getting involved in extra-curricular activities.

As you are probably already aware, the extra-curricular sport programme at Cambourne VC is exceptionally strong. It is our aim in the PE department to have every pupil access our extra-curricular provision at some point throughout the week. To help us achieve this, we have created a varied programme of clubs that will change on a termly basis, to allow everyone to find something they enjoy. Pupils can choose whether to come along and enjoy being active with their friends or to train to improve their performance. We would really love to see as many pupils there as possible!

Our pupils thoroughly enjoy these opportunities; however to continue to provide these, we require funding. Staff volunteer their time and expertise to run, coach and organise these additional sporting opportunities; however, money raised goes towards maintaining quality equipment, providing buses for travel to fixtures and for external qualified coaches to lead sessions. As such, we are asking any student who is attending extra-curricular clubs to make a £10 voluntary donation each term towards these running costs. This can be paid on ParentPay under the clubs tab.

Many thanks for your continued support,

Lindsey Gassner

PE Teacher and Sporting Opportunities Co-ordinator

## Barons' Sporting Bursary

We have been incredibly lucky to work alongside Barons BMW in Cambourne to create the Barons' Sporting Bursary. This bursary is awarded to any student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs and is primarily aimed at students of families who cannot afford to pay for these opportunities. Some examples of how the bursary can be used are:

- *Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club*
- *Paying for transport costs to get into Cambridge to participate in a club*
- *Paying for additional equipment e.g. a new hockey stick*
- *Paying for the entry costs of an event like the Cambridge Schools Cross Country*
- *Paying to attend a sports coaching or refereeing course such as a FA young officials course*

If your son/daughter would like to apply for the bursary then please encourage them to fill out the form [HERE](#) with as much information as possible about themselves and the sporting opportunity.

As we come to the end of year 11 core PE, if there are any year 11 students who will no longer be using their CamVC PE kits we would really appreciate having them in the PE department to repurpose them to allow all our students to be able to access their PE lessons without the barrier of a lost or forgotten PE kit.

Donations of PE kit can be left at reception labelled for the PE department.

This also includes old trainers or Astros/studs that may longer be required.

### Instrumental Lessons

Would your child like to start instrumental or singing lessons?

Your child could receive instrumental lessons on any of the following instruments:

*Piano, Keyboard, Guitar, Bass Guitar, Drums, Flute, Clarinet, Violin, Trumpet*

They can also have singing lessons!

If you would like to sign them up to start lessons, then please fill in the online form:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

**If your child receives the Pupil Premium they are able to get a big discount towards the cost of lessons, so if they are interested please do fill in the form, or email [gpage@cambournevc.org](mailto:gpage@cambournevc.org)**

### Music Clubs

Music Clubs are starting again this week, and there are lots of different musical activities your child can join:

Monday (3-4pm): Concert Band (*All instrumentalists Years 7 – 11 welcome*)

Tuesday lunchtime: Junior Choir (*Years 7 & 8*)

Tuesday (3-4pm): Jazz Band (*Years 9 – 11*)

Wednesday lunchtime: Beginner Ukuleles (*Years 7 & 8*)

Friday (3-4pm): Senior Choir (*Years 9 – 11*)

**All pupils are welcome, whether they've attended before, or not. We are looking forward to all these groups performing in this term's Summer Concert!**

# BOOK RECOMMENDATIONS

## *Adam-2* by Alastair Chisholm

The robot Adam-2 has been locked in the basement of a lost building for over two hundred years - until one day he is discovered by two children and emerges into a world ruined by a civil war between humans and advanced intelligence. Hunted by both sides, Adam discovers that he holds the key to the war, and the power to end it - to destroy one side and save the other. But which side is right? Surrounded by enemies who want to use him, and allies who mistrust him, Adam must decide who - and what - he really is. *(Available from the School Library)*

## *A book of book lists* by Alex Johnson

This is a book of book lists. Not of the '1001 Books You MUST Read Before You Die' variety but lists that tell stories. Lists that make you smile, make you wonder, and see titles together in entirely new ways. From Bin Laden's bookshelf to the books most frequently left in hotels, from prisoners' favourite books to MPs' most borrowed books, these lists are proof that a person's bookcase tells you everything you need to know about them, and sometimes more besides. *(Available from the School Library)*

# ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

# Medical School Application Timeline: What you need to do now

FREE WEBINAR

A message from Medical Projects:

## **“Medical School Application Timeline: What you need to do now”**

### **A free webinar!**

After last year's big demand, we've decided to run our '**Medical School Application Timeline: What you need to do now**' event again in September 2022.

This is primarily aimed at your year 11s who will be starting A-levels (or equivalent) in September 2022. We will have current medical students covering the application timeline, work experience, entrance exams and everything students need to hit the ground running in September.

**Title:** Medical School Application Timeline: What you need to do now

**Date:** Wednesday, 14th September 2022

**Location:** Online

**Suitable for:** Current year 11 (going into year 12 in September)

**Registration link:** [educationprojects.co.uk/project/timeline-of-applying-to-medical-school-what-you-need-to-do-now/](https://educationprojects.co.uk/project/timeline-of-applying-to-medical-school-what-you-need-to-do-now/)

Last year around 10,000 students signed up for this event and we had to stop registrations weeks before the event itself. Early registration is crucial.

## **Year 11 - Reminder for Long Road applicants**

This is a reminder that if your child has applied to Long Road and would like to attend or keep this option open for September; they need to respond to any conditional offer/invitation to interview received if not done so already.

Long Road will be running Welcome Days on 7th and 8th July for Offer Holders; therefore, it is important that offers are accepted/interviews attended in order to be invited to a Welcome Day.

If you have any questions, Long Road can be contacted at [admissions@longroad.ac.uk](mailto:admissions@longroad.ac.uk)

## A message from **Long Road** College:

**Come and discover the *right road for you!***

**Long Road Open Evenings: Tuesday 5<sup>th</sup> & Wednesday 6<sup>th</sup> July 2022**

At Long Road Sixth Form College there's lots of choice: A levels, practical Diplomas, a mix of the two or GCSE re-sits.

Choose an Applied Science Diploma or an A level in Biology, Chemistry, Physics or Environmental Science, and you'll benefit from the college's well-established links with top universities and the local research community including the neighbouring Cambridge Biomedical Campus.

How about an Applied Diploma in Sport or a PE A level? Our on-campus sport facilities, basketball academy and hi-tech student gym is everything you need to stay both fit and focused.

If you're a creative individual, you could study an Applied Diploma in Art or Graphic Design, or an A level in Art, DT or Photography, giving you access to our bespoke art studios, specialist design workshops and photography darkroom. When you're ready, you can graduate to our Level 4 Foundation Art course to really kick-start your creative career.

Whichever direction you take, as a member of our friendly, vibrant and dynamic community you can develop the skills, independence and focus you need to keep moving forward.

**BOOK NOW: Long Road Open Evenings 5<sup>th</sup> & 6<sup>th</sup> July, 5pm – 9pm**

To ensure our event is safe and enjoyable for everyone we are asking you to **book 1 ticket per person** for our Open Evening.

With staggered arrival times in place, simply select your preferred date and time slot and book your required number of tickets!

If you have any questions please contact us via email at [hel-lo@longroad.ac.uk](mailto:hel-lo@longroad.ac.uk)

We can't wait to meet you at our Open Evenings!

## Reporting your Child's absence from school

The best way to report your child's absence from school is to email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

### **Covid**

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org). This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

### **Medical Appointments**

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

[thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

### **Planned Absence Request**

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please **email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org)** so that we can arrange for your child to check our unnamed items.

If your child needs a coat/jacket and would like to look through our unnamed items to find something suitable for them, please ask them to go to their Year team office or email [the College](mailto:the College).

# SecondHandUniform

We currently have a large number of good quality second hand uniforms available for purchase at a discounted rate. Please complete the form: [Second-Hand Uniform Request](#) and enter what uniform needs your child has.

With reception being open until **9pm each week night during term time**, there is an opportunity to organise a Covid safely-distanced visit to the school to 'see before you buy' at hours to suit you.

Please email our evening receptionist **Liz Staines** to organise a time slot: [El-Staines@cambournevc.org](mailto:El-Staines@cambournevc.org)

Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.

- Year 11 - Sam Tomlinson [cam-year11@cambournevc.org](mailto:cam-year11@cambournevc.org)

Our up-to-date uniform policy and suppliers can be found on the [school website](#).

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

## Staying Safe

## Combined Minds

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
