## Cambridgeshire Ancient Greek Online Academy for September 2022

After our very successful pilot year we are opening up registrations from Y8-Y10 students in any state secondary school in the area. Students are invited to register initially for an 'no strings attached' introductory term. After this introduction students are able to continue to a GCSE in Ancient Greek in three years. Although teaching is online there are also non-compulsory Saturday morning sessions at the Classics Faculty in Cambridge once a half term. All teachers are qualified and DBS checked teachers. All information is contained in the attached leaflet and the link for signing up to the Academy is here <https://forms.gle/otJHEHbVQs7Sbj4x8>. This is totally FREE for state school pupils. Please note that we were overwhelmed with interest last year and closed registrations within a week! Students are required to share a teacher contact - please use Miss Angell's email ([jangell@cambournevc.org](mailto:jangell@cambournevc.org)) for this and ask Miss Angell if you have any questions!

### **Cambridgeshire Online Ancient Greek Academy**

is an initiative developed by Classics for All and with support from Cambridge School Classics Project (CSCP) and the University of Cambridge Faculty of Classics.

We offer the opportunity for students aged from Y8-Y10 the opportunity to learn Ancient Greek. Students will be able to work towards a GCSE over three years, and perhaps continue further!

All teaching and resources are **FREE** for state school pupils in Cambridgeshire.

### **Tell me more!**

Weekly lessons are all ONLINE on a Tuesday evening 4.30-6pm during term time. Every half term there are optional face to face meetings including language teaching and lectures to introduce students to the Classical World, which are held at the Faculty of Classics in Cambridge on a Saturday morning.

All teachers are experienced and qualified DBS checked Classics teachers. No prior knowledge of Greek is required, simply the enthusiasm to give it a go. There is no obligation to continue after the first introductory term, although of course we hope you will wish to! Introductory classes will be between 20-30 students, but places are limited!

## Why learn Ancient Greek?

- It's fun and challenging!
- Adds to your understanding of English
- Helps in learning other languages
- Makes links between languages, humanities, philosophy and the arts
- Improves your ability to think logically
- Great if you want to study law, medicine or sciences
- Stand out from the crowd on your University application
- Valued by many professions, from finance to law
- Read literature (including the New Testament), ancient literature and philosophy in the original language
- Enables you to understand classical references in art, theatre, film, computer games and literature

# Physical Education

Dear Parents and Carers,

The PE department are absolutely delighted to be running clubs and fixtures again, and it has been fantastic to see so many pupils getting involved in extra-curricular activities.

As you are probably already aware, the extra-curricular sport programme at Cambourne VC is exceptionally strong. It is our aim in the PE department to have every pupil access our extra-curricular provision at some point throughout the week. To help us achieve this, we have created a varied programme of clubs that will change on a termly basis, to allow everyone to find something they enjoy. Pupils can choose whether to come along and enjoy being active with their friends or to train to improve their performance. We would really love to see as many pupils there as possible!

Our pupils thoroughly enjoy these opportunities; however to continue to provide these, we require funding. Staff volunteer their time and expertise to run, coach and organise these additional sporting opportunities; however, money raised goes towards maintaining quality equipment, providing buses for travel to fixtures and for external qualified coaches to lead sessions. As such, we are asking any student who is attending extra-curricular clubs to make a £10 voluntary donation each term towards these running costs. This can be paid on ParentPay under the clubs tab.

Many thanks for your continued support,

Lindsey Gassner

PE Teacher and Sporting Opportunities Co-ordinator

## Barons' Sporty Bursary

We have been incredibly lucky to work alongside Barons BMW in Cambourne to create the Barons' Sporting Bursary. This bursary is awarded to any student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs and is primarily aimed at students of families who cannot afford to pay for these opportunities. Some examples of how the bursary can be used are:

- *Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club*
- *Paying for transport costs to get into Cambridge to participate in a club*
- *Paying for additional equipment e.g. a new hockey stick*
- *Paying for the entry costs of an event like the Cambridge Schools Cross Country*
- *Paying to attend a sports coaching or refereeing course such as a FA young officials course*

If your son/daughter would like to apply for the bursary then please encourage them to fill out the form [HERE](#) with as much information as possible about themselves and the sporting opportunity.

# BOOK RECOMMENDATIONS

## *Heartstopper* by Alice Oseman

Follows the growing relationship of two boys in Year 10 and Year 11 who meet at school and fall in love. Boy meets boy. Boys become friends. Boys fall in love. Charlie and Nick are at the same school, but they've never met... until one day when they're made to sit together. They quickly become friends, and soon Charlie is falling hard for Nick, even though he doesn't think he has a chance. But love works in surprising ways, and Nick is more interested in Charlie than either of them realised. This is the first of four volumes. **(Available from the School Library and on SORA)**

## *How to Change It* by Joshua Virasami

Is it possible to create real change? How can we as individuals help to solve some of the biggest issues of today? How can we overcome injustice and inequality wherever we are? Where does power sit, and how can we get it? *How to Change It* provides the answers to these questions, and many more. In three simple steps - educate, organise and agitate - artist and organiser Joshua Virasami sets out several lessons for successful campaigning, drawing on the experience and actions of a number of activist and political movements, including Extinction Rebellion, Occupy and Black Lives Matter. **(Available from the School Library)**

## Reporting your Child's absence from school

The best way to report your child's absence from school is to email [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

### **Covid**

If your child has ANY Covid symptoms, a positive LFD or you are accessing a PCR test, then please report this to the College on [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org). This will be dealt with by dedicated staff, and the year team notified of the pupil's absence.

### **Medical Appointments**

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

[thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

### **Planned Absence Request**

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
