Year 10: English Literature Texts

A reminder to parents and carers of year 10 students: if you haven't already done so, please can you ensure you have purchased your English literature text on ParentPay.

We strongly recommend that every student has their own copy of the text: they can then annotate as we study, which will be a crucial revision aid leading up to their exams next year.

Save the date: Community Litter Pick

Do you want to be a Litter Champion? As an Eco-School, we are organising our first Community Litter Picking Event on **Saturday 26th November, from 10 am till 1 pm. Meeting point: The Great Cambourne Cricket Pavilion**

Bring your family and friends and have fun outside while doing something really useful for the Cambourne Community. Litter picking equipment and refreshments will be provided. More details will be published nearer the time.

Aspirational Fridays continues!

Continuing from the success of last year we will continue to have weekly visitors into school. These talks will run throughout the year from speakers who are passionate about a topic, ranging from Space Travel to Fossils to Impressionist Art. Keep an eye out for a topic you might be interested in!

This term we have had visits from local museums and ex CamVC students. Thank you to Iria who visited us last week!

If you are interested in coming into school to share your area of interest or career, please get in touch with Miss Angell (jangell@cambournevc.org) - we'd love to hear from you!

What Parents & Carers Need to Know about

AMIGO

Amigo is a social platform which purports to connect strangers from around the world – and, with built-in translation software, it reduces the expected language barriers. Focusing heavily on one-to-one chat, video calls and live streams, Amigo encourages its users to build up online relationships and unlock exclusive features such as private video and audio calls: essentially, the more that people chat, the more functions become available to them. This is an app designed with mature users very much in mind and is therefore definitely not recommended for children.

AGE RATING

18

WHAT ARE THE RISKS?

ONE-TO-ONE COMMUNICATION

While online chats and livestreaming are a great way to communicate with people that children can trust (such as friends and family), Amigo encourages users to connect with complete strangers and develop a friendship through private chats, calls and videos. This will be a clear red flag for most parents, due to the possibility of a child encountering inappropriate content or an online predator.

INAPPROPRIATE CONTACT

Within minutes of signing up for our trial of Amigo (and without using a profile photo), users of the opposite sex were messaging with suggestive statements such as "You're just my type" and "Let's have fun". While the app's stated intent is to help people build friendships, some users obviously seek to take those relationships in a more mature and amorous direction.

MEMBERSHIP COSTS

Like many apps that are free to download, Amigo's business model is centred on in-app purchases. Users are encouraged to pay for VIP membership – enabling them to send more messages each day and boosting their profile's visibility. People can also buy coins (again, for real money) which allow them to send virtual gifts and further increase the number of messages they can send daily.

LACK OF AGE VERIFICATION

Amigo makes no secret of the fact that it's for people aged 18 or above. There's no age verification, however, so a young person could simply sign up under a false date of birth. The app's algorithm claims to match users of similar ages (making them more compatible), but either the algorithm isn't very reliable, or most users have entered a fake age which doesn't correspond with their profile pic.

REWARDS FOR REPEATED USE

Amigo gifts virtual coins to users if they reply to messages within 10 seconds, while there are also daily rewards for posting comments, sharing a video, getting likes or simply opening the app. It also encourages increasing 'Intimacy Levels' with other users to unlock extra features: once someone's online 'friendship' reaches Intimacy Level 3, they can hold one-to-one video calls with each other.

Advice for Parents & Carers

MONITOR DOWNLOADS

As well as frequent catch-ups with your child about what they've enjoyed doing online, you could consider taking the additional step of physically checking their phone every so often to see which apps they've installed. The safest option could be to enable 'ask to buy' (Apple) or 'purchase approvals' (Android) on their device, meaning your authorisation is needed to download any apps.

BLOCK, REPORT, DISCUSS

Many children already know that connecting with strangers online is dangerous, but it never hurts to refresh their memory. Whatever communication apps your child uses, make sure they're fully aware that if anything online makes them feel uncomfortable, scared or upset, then they can block the user responsible, report the content, take a screenshot as evidence and come to tell you straight away.

RESPECT AGE RESTRICTIONS

Apps have age restrictions for a reason, and Amigo is very definitely a mature content platform. Given that many of Amigo's users apparently use a bogus date of birth, you might want to remind your child about the implications of setting up a fake profile – such as being exposed to messages and videos that make them feel uncomfortable or feeling pressured into chatting with strangers.

ACTIVE LISTENING

If your child *does* approach you with a concern, make time to stop what you're doing and actively listen. Let them talk without interrupting or showing any judgement, then discuss their options and the possible solutions: this empowers them and reassures them that you're there to be supportive. If the issue is one that has put your child at risk, however, you may wish to contact the police.

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

Making Connections: A City Access Public Consultation – Have Your Say: A message from the Greater Cambridge Partnership

Greater Cambridge is a vibrant, economically successful and beautiful place. But we have some of the worst congestion in the UK, making it hard to get around and polluting our air. For many journeys, there's no alternative to going by car, limiting opportunities for many. With employment and population growing, the pressure on our roads will increase and our quality of life will suffer.

Today we have launched our Making Connections consultation. You can have your say on proposals for faster, cheaper, more reliable bus services and safer cycling through the introduction of a Sustainable Travel Zone:

- From as early as mid-2023, we're proposing to transform the bus network through more services to more locations, with cheaper fares at £1/£2 per journey.
- Alongside the bus network, we're proposing more investment in new sustainable travel schemes, such as better walking and cycling links.
- From 2027/28, we propose to introduce a Sustainable Travel Zone in the form of a road user charge on behalf of Cambridgeshire County Council as the Highway Authority. Vehicles would pay to drive in the Zone at certain times.

There would be discounts, exemptions and reimbursements for some, including those on low incomes and blue badge holders.

Shaped by extensive consultations, we're seeking input to this step-by-step plan for better, cleaner, safer transport.

Have your say

You can complete our survey online or contact the GCP by post, phone, email or social media from today (Monday 17th October) to midday Friday 23rd December. Find out more about the ways to respond online: www.greatercambridge.org.uk/mc-2022.

You can hear more about the proposals at a series of drop-in events across the region. There are also online events. All events are listed here: www.greatercambridge.org.uk/mc-2022.

Help us reach more people by sharing with your networks

There are materials to share at: <https://greatercambs.filecamp.com/s/3QQqPRbNCVhUhluA/fo>

This includes a simple slide pack for presentations. We can also provide a GCP representative to speak to your staff or community meetings or events. Please contact consultations@greatercambridge.org.uk and we will do our best to coordinate.

Print flyers, posters and consultation brochures are available in limited numbers on request. This includes brochures in large print, Braille, audio tape and other languages. Please contact **01223 699906** to request these.

This is a once-in-a-generation opportunity. Feedback from your organisation and the public is vital to shape these plans for a better, cleaner and safer Greater Cambridge.

Thank you in advance and we look forward to hearing your views.

Physical Education

A quick reminder to all parents, carers and students of the health and safety rules in PE lessons.

Students should not be wearing earrings or any jewellery in their PE lessons. The covering of earrings with tape is not a sufficient safety measure; students should be fully removing all earrings in order to participate in their practical PE lessons.

Additionally, long nails, acrylics and nail extensions also pose a significant health and safety issue during PE. Please ensure all long nails or acrylics are cut short or removed

These rules are to keep everyone safe and we thank you for your support with ensuring students can abide by them.

PE Fixtures

There are a large number of fixtures that take place across the year and many pupils are selected for these based on their participation in clubs.

Parents should note that pupils will be selected and informed about fixtures prior to the event and given the timings of these and details about the location and what to wear. This information is displayed on the board outside the PE office for all pupils to see.

It is expected that it is pupils' responsibility to pass on this information to parents. We therefore do not get written consent for every fixture each week. If any parent does not agree with their child being selected and taken on fixtures in this way, please contact the school to make alternative arrangements.

MUSIC

Instrumental & Singing Lessons

In Cambourne we have nearly 200 pupils regularly doing Instrumental & Singing lessons in school!

These lessons are mostly starting next week, although due to lots of new sign-ups we are hiring a new piano / keyboard tutor who will be starting in a couple of weeks.

If your child would like to learn a musical instrument, or get singing lessons – then it isn't too late to sign them up – and for most instruments they would be able to start almost straight away.

We currently offer instrumental lessons for:

- Flute, Clarinet, Saxophone, Violin, Trumpet, Trombone
- Piano, Keyboard
- Drums
- Acoustic Guitar, Electric Guitar, Bass Guitar

And singing lessons for all varieties of singer – including pop / classical / musical theatre!

If you would like to find out more about how instrumental & singing lessons work, then visit the school website for more details:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

And then fill in the online form here:

[Application form for instrument and singing lessons at Cambourne Village College \(office.com\)](http://office.com)

If you have any questions about instrumental & singing lessons, please contact Geoff Page (Head of Music – gpage@cambournevc.org)

Music Clubs

There are lots of different clubs that your child can come attend if they want to develop their musical skills and get to know other musicians in the school!

Clubs are free to attend, and the different groups often get opportunities to perform in school concerts, as well as opportunities outside of school.

The following clubs are starting next week (in the Music Block):

Band (Monday 3-4pm), all instrumentalists, all years

Junior Singer (Tuesday lunchtime), years 7 & 8

Jazz Band (Tuesday 3-4pm), years 9-11

Ukulele Club (Wednesday lunchtime), years 7 – 9

Friday Choir (Friday 3-4pm), years 9-11

If your child is interested in joining a musical club, they are welcome to attend (whatever their ability) and see how they get on!

BOOK RECOMMENDATIONS

The Agathas by Kathleen Glasgow

The most popular girl in school is dead - and everyone's blaming the wrong guy. When Alice Ogilvie ran away last summer, her disappearance was Castle Cove's biggest mystery. But then her ex-best friend Brooke Donovan vanishes. Initially dismissed as a copycat case, Alice suspects there is something darker at play. Joined by outsider and unlikely investigative partner Iris Adams, Agatha Christie-obsessed Alice sets out to get to the bottom of what is really happening in Castle Cove. There are clues the police are ignoring and a list of suspects a mile long. But Alice and Iris have no idea just how many secrets their little town is hiding... **(Available from the School Library and on SORA)**

Harry Kane by Harry Coninx

A fictionalised biography of England footballer and captain Harry Kane. This fictionalised biography is one of the new titles in the Tales from the Pitch series. Each book focuses on one up-and-coming football superstar, often players who are still to reach the summit of their career. The players are from all walks of life and have faced failure, injury and rejection, making these moving and inspirational stories. The books are brimming with football banter that will have the knowing fans smiling. And each player's story is littered with football tricks and tips, so readers can learn the arts of the glorious game. **(Available from the School Library)**

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

Reporting your Child's absence from school

The best way to report your child's absence from school is to email thecollege@cambournevc.org **before 8:30am in the morning**. Please use this email rather than contacting the Year teams or a member of staff directly, as this inbox is monitored all the time and other notifications may be missed.

Please email your **child's name along with their year group and tutor group** with a brief description of the reason they will be absent. Just reporting 'unwell' is not sufficient and this will need to be followed up by the Year team.

Medical Appointments

If your child is going to be absent from school due to a prearranged medical appointment, we ideally need notification of this 2 school days in advance. Please email

thecollege@cambournevc.org with the date and time of the appointment and if

possible, a copy of the appointment letter/card. This will ensure the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Planned Absence Request

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please email thecollege@cambournevc.org so that we can arrange for your child to check our unnamed items.

If your child needs a coat/jacket and would like to look through our unnamed items to find something suitable for them, please ask them to go to their Year team office or email the College.

SecondHandUniform

We currently have a large number of good quality second hand uniforms available for purchase at a discounted rate. Please complete the form: [Second-Hand Uniform Request](#) and enter what uniform needs your child has.

With evening reception hours (6pm to 9pm) each weeknight (during term time) there is an opportunity to organise a Covid safely-distanced visit to the school to 'see before you buy' at hours to suit you.

Please email our evening receptionist **Liz Staines** to organise a time slot: El-Staines@cambournevc.org

Thank you for your continued support with your children's return to school by sending them back in such smart uniform.

Families who find it difficult to afford school uniform at any time should contact their Year team admin (details below), in complete confidence, so that a way forward can be found.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

**Safeguarding is
Everyone's
Responsibility**

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

Students IT Support

If your child needs a password reset, for example to their email, Show My Homework or any of the platforms we use at the College, or if they have any issues with their iPads, please email cam-support@cambournevc.org.

We will aim to respond to any enquiry within 24 hours.
