## Food Technology Lessons

Please can pupils be reminded to collect their food items at the end of food lessons. We have currently some bags of plastic boxes that pupils have left behind from food technology lessons. If you believe your child has not returned with all items taken, please ask them to speak to Miss Long in Food Technology

## Drama Lessons

A reminder that students are asked to work bare foot or with “grip socks” (unless medically exempt) when in the Drama studios. The “grip socks” can be purchased from school, or if you already own these please feel free to bring these along to lessons. Please ensure your child has the suitable footwear for lessons.

## Year 9 Options

Year 9 pupils have been contacted over the last few weeks, if one of their reserve option choices were needed. All other Year 9 pupils will receive confirmation of their option subject allocations on return to school after half term. Thank you for your ongoing support and patience during this process.

## Year 10 Mock Exams

The Year 10 Exams period will take place from **Tuesday 27th June up to, and including, Tuesday 11th July.**

The main aim of these exams is to provide Year 10 students, and their teachers, with assessment of the progress they have made in mastering the content of the first half of the GCSE syllabuses, and provide guidance for the revision required alongside learning the remaining content in Year 11.

The results will also start to inform decisions for tier of entry for some subjects, alongside the results from the Year 11 Mocks.

The exam timetable can be [downloaded here](#).

**Year 10 GCSE History revision** sessions are starting on 5<sup>th</sup> June!

They will be every Monday 3.10pm to 4pm with Mr Green and Mr Olivey in the Blue Wing upstairs. Please remind your children that they should be using their revision schedule, but they can also speak to Miss Angell if they have any questions or concerns.

## Year 11 Study Leave

We would like to thank you for your ongoing support over the GCSE exam period, in ensuring that your child arrives on time each day, fully equipped for each exam, revision session and timetabled lesson.

From this point onwards, we will only insist on Year 11s attending school for their exams. For a morning exam, they must be present in school by **8.35am**. For an afternoon exam, they must be present in school by **1pm**. However, if a student has been told that they have an earlier start time for an afternoon exam (as they will be sitting two papers back-to-back due to an exam clash) they should aim to be in school by **12.40pm**.

The exam dates and times are listed on the school calendar, which can be found on the school website: [www.cambournevc.org/parent-carer-and-student-information/exams](http://www.cambournevc.org/parent-carer-and-student-information/exams)

At all other times, they are welcome to be in school for focused revision, but it is at their discretion as to where they will revise best – at school or at home. We will continue to offer subject-specific revision sessions (a summary of these sessions can be [found here](#)) and will offer a quiet revision space, for any students choosing to be in school.

# Time to give back!

**Please return all course & library books**

**These are issued to you through the library and MUST be returned before you leave school!**

### Cambourne Village College Sports Awards

Invites have been sent out to both parents/carers and pupils regarding our upcoming Sports Awards evening. Please do look out for them in your emails. Unfortunately, due to limited space we can't invite everyone and have had to focus on those pupils who have been heavily involved in PE, school sport and leadership this year.

### **Become a Trustee of the Cambourne Village College Charitable Trust**

The Cambourne Village College Charitable Trust (Registered Charity Number 1186156) is dedicated to raising funds for the College, not simply for it to continue to be a great school, but for it to achieve its two core ambitions:

- To equip our pupils and other young people with the confidence, knowledge and skills they will need to thrive, for life.
- To support and strengthen the cohesion, inclusivity, health and wellbeing of the wider Cambourne community.

Working in conjunction with Cambourne Town and Cambridgeshire County Councils, and partly funded by S106 & additional grants, the school has constructed and recently fully fitted out an additional performance hall on site for shared school and community use.

We are currently raising money to fully equip the Arts Centre & bring a cinema to Cambourne in raising the final £30,000 (details below) and we need parents to help us achieve this goal.

If you feel that you can help support the Charitable Trust by becoming a trustee or just want to find out more information, please email the [Trust Secretary Mrs Collins](#).

### **How you can still help:**

**A fully equipped Arts Centre and Cinema for Cambourne can be a reality, but we need your help.**

**We are currently trying to raise the final £20,000 to install a cinema projector in the new Sixth Form Centre Lecture Hall to provide a Community Cinema for Cambourne (Completion 2024) - £20,000**

If you can and would like to donate, please either use the QR code or donate via our People's Fundraising Page on the link:

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

## TEAMS | ONENOTE

Microsoft Teams, Teams assignments, and OneNote are becoming increasingly more central to the way we are providing and receiving work. Below are some resources to help you support your children with these services.

### **Instrumental & Singing Lessons (5 week taster)**

If your child might be interested in getting instrumental lessons, or singing lessons in the Music Department, they could sign-up for a 5-week taster starting after half-term.

5-weeks is a great way of seeing how they get on with lessons, and inspire them musically ahead of the summer holiday – and if they enjoy the lessons they can sign up for a full term in September.

We offer singing lessons, as well as lessons for the following instruments:

Keyboard / Piano, Guitar (Electric or Acoustic), Drums, Flute, Clarinet, Saxophone, Trumpet, Violin

More information about music lessons can be found on the School website:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://www.cambournevc.org)

And there is an online form that can be completed here:

[Application form for instrument and singing lessons at Cambourne Village College \(office.com\)](http://www.cambournevc.org)

**Remember** – if your child receives the pupil premium, there is funding available to support them having music lessons.

### **Earphones / Headphones for KS3 Music Lessons**

Pupils in KS3 all classes need to have a pair of earphones or headphones with them to use in their weekly music lessons. These are used through many of their lessons when they are working on keyboards, and will greatly help them in these lessons.

Pupils need to have a standard mini-jack connector (rather than Bluetooth or apple) – and they can be purchased for as little as £2 from supermarkets or online. If you aren't able to provide earphones / headphones for your child to use in music lessons due to financial restraints – please contact Emma Soley ([esoley@cambournevc.org](mailto:esoley@cambournevc.org)) so we can arrange some headphones for them to borrow.

### **Musical Instruments Gathering Dust...?**

If you have any old musical instruments at home that are no longer being used – please consider donating them to the school. We really benefit from instruments that can either be used within the department, or loaned / given to pupils who would benefit from them.

### **Upcoming Dates for your diary:**

- Year 7 & 8 production: Boudicca Goes Ballistic! (7pm, Tuesday 11th & Wednesday 12th July)
- Summer Concert (7pm, Thursday 13<sup>th</sup> July)

Meet Ashley (14): she's the undisputed 'It' Girl in her class, but her grades stink. Her dad has come out and moved out - but not far enough.

Their worlds are about to collide because Stewart and his dad are moving in with Ashley and her mom. Stewart is trying to be 89.9% happy about it, but Ashley is 110% horrified and can't quite get used to her totally awkward home.

And things are going to get a whole lot more mixed up when these two very different people attract the attention of school hunk Jared...

Stewart and Ashley face some sensitive situations separately and together.

**Available from the school library.**

## Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. Please email ([thecollege@cambournevc.org](mailto:thecollege@cambournevc.org)) or call the school on 01954 284000 **by 9am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absent on the previous day we cannot assume they are still at home poorly.

## Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by emailing [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

## Planned Absence Request:

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

**All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.**

## POST 16 OPEN EVENTS

Attendance at most of the events below is to be self-organised by parents/pupils. We will share all information received on these events, but it is pupils'/ parents' responsibility to register attendance with the individual sixth form/college and organise travel accordingly.

If attending an open event that falls during school hours, a planned absence form will need to be completed, so that student absence can be authorised. Completed forms should be returned to the attendance officer at [thecollege@cambournevc.org](mailto:thecollege@cambournevc.org) or handed into Reception. Planned absence forms can be found at: <https://www.cambournevc.org/parent-carer-and-student-information/absence.php>.

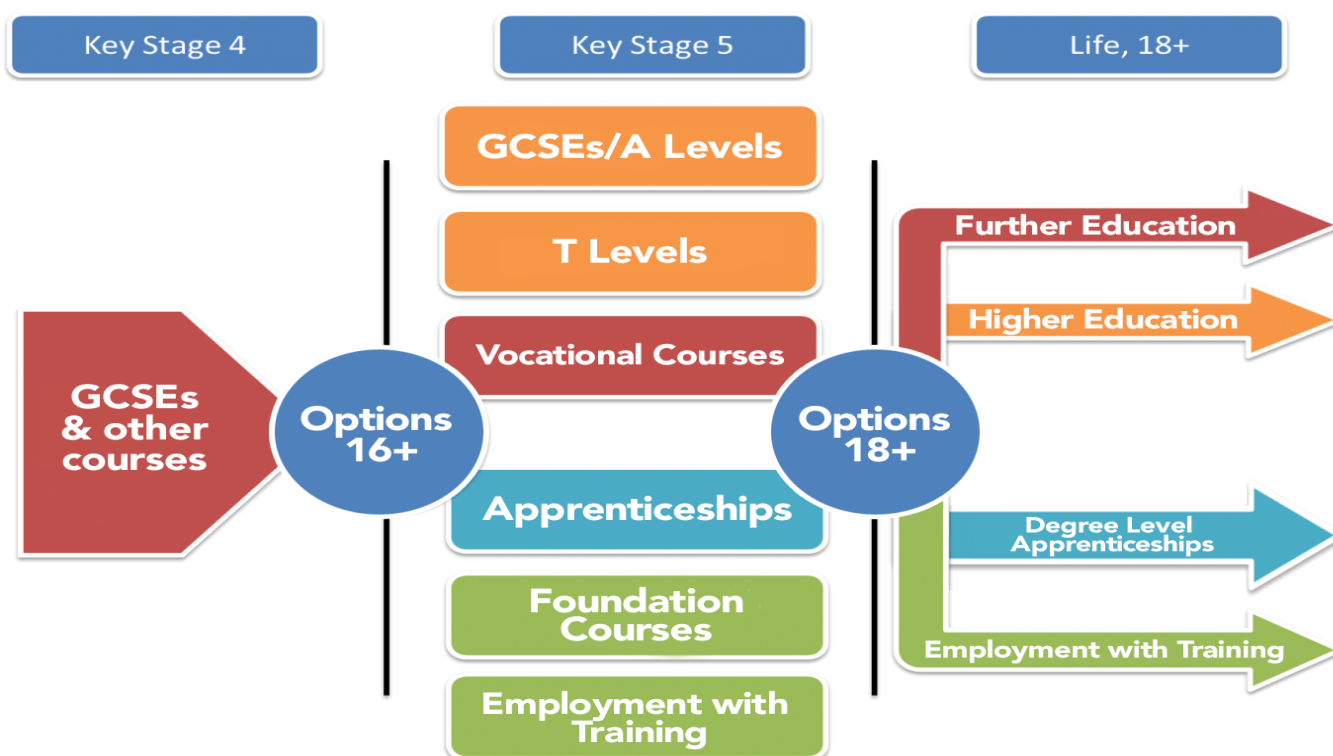

Pupils are normally limited to attendance at a maximum of two college open day/ taster day events during school time.

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

**Safeguarding is  
Everyone's  
Responsibility**

### What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### How can we help you?

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)
