Donations Needed for:

Cambourne Village College Chess Club

Chess is becoming popular once again with young people and we are keen to encourage this at Cambourne Village College.

To this end we are looking to set up a chess club at school. We are asking for donations of chess sets you may have but don't use, even ones missing a piece or two. If you have these and are happy to donate please can they be taken to the school Library or to Mrs Gale's office downstairs in the Green wing. New chess sets are also very gratefully received along with any books on chess or chess clocks.

Food Technology Lessons

Please can pupils be reminded to collect their food items at the end of food lessons. We have currently some bags of plastic boxes that pupils have left behind from food technology lessons. If you believe your child has not returned with all items taken, please ask them to speak to Miss Long in Food Technology

Drama Lessons

A reminder that students are asked to work bare foot or with "grip socks" (unless medically exempt) when in the Drama studios. The "grip socks" can be purchased from school, or if you already own these please feel free to bring these along to lessons. Please ensure your child has the suitable footwear for lessons.

Year 10 Mock Exams

The Year 10 Exams period will take place from **Tuesday 27th June up to, and including, Tuesday 11th July.**

The main aim of these exams is to provide Year 10 students, and their teachers, with assessment of the progress they have made in mastering the content of the first half of the GCSE syllabuses, and provide guidance for the revision required alongside learning the remaining content in Year 11.

The results will also start to inform decisions for tier of entry for some subjects, alongside the results from the Year 11 Mocks next year. **The exam timetable can be [downloaded here.](#)**

Year 10 GCSE History revision sessions are starting on 5th June!

They will be every Monday 3.10pm to 4pm with Mr Green and Mr Olivey in the Blue Wing upstairs. Please remind your children that they should be using their revision schedule, but they can also speak to Miss Angell if they have any questions or concerns.

Become a Trustee of the Cambourne Village College Charitable Trust

The Cambourne Village College Charitable Trust (Registered Charity Number 1186156) is dedicated to raising funds for the College, not simply for it to continue to be a great school, but for it to achieve its two core ambitions:

- To equip our pupils and other young people with the confidence, knowledge and skills they will need to thrive, for life.
- To support and strengthen the cohesion, inclusivity, health and wellbeing of the wider Cambourne community.

Working in conjunction with Cambourne Town and Cambridgeshire County Councils, and partly funded by S106 & additional grants, the school has constructed and recently fully fitted out an additional performance hall on site for shared school and community use.

We are currently raising money to fully equip the Arts Centre & bring a cinema to Cambourne in raising the final £30,000 (details below) and we need parents to help us achieve this goal.

If you feel that you can help support the Charitable Trust by becoming a trustee or just want to find out more information, please email the [Trust Secretary Mrs Collins](#).

How you can still help:

A fully equipped Arts Centre and Cinema for Cambourne can be a reality, but we need your help.

We are currently trying to raise the final £20,000 to install a cinema projector in the new Sixth Form Centre Lecture Hall to provide a Community Cinema for Cambourne (Completion 2024) - £20,000

If you can and would like to donate, please either use the QR code or donate via our People's Fundraising Page on the link:

<https://www.peoplesfundraising.com/wall/cambourne-village-college-charitable-trust>

If you have any fundraising ideas as well please also contact thecollege@cambournevc.org

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please email thecollege@cambournevc.org so that we can arrange for your child to check our unnamed items.

If your child needs a coat/jacket and would like to look through our unnamed items to find something suitable for them, please ask them to go to their Year team office or email the College.

BOOK RECOMMENDATIONS

The art of being normal by Lisa Williamson

David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth - David wants to be a girl.

On the first day at his new school Leo Denton has one goal - to be invisible. Attracting the attention of the most beautiful girl in year 11 is definitely not part of that plan.

When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long...

(Available from the School Library and on Sora app)

All boys aren't blue by George M. Johnson

This powerful YA memoir-manifesto follows journalist and LGBTQ+ activist George M. Johnson as they explore their childhood, adolescence, and college years, growing up under the duality of being black and queer.

From memories of getting their teeth kicked out by bullies at age five to their loving relationship with their grandmother, to their first sexual experience, the stories wrestle with triumph and tragedy and cover topics such as gender identity, toxic masculinity, brotherhood, family, inequality, consent, and Black joy. (Readers from Year 9+)

(Available from the School Library)

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

Find it here: [Recommended Articles](#)

Instrumental & Singing Lessons (5 week taster)

If your child might be interested in getting instrumental lessons, or singing lessons in the Music Department, they could sign-up for a 5-week taster starting after half-term.

5-weeks is a great way of seeing how they get on with lessons, and inspire them musically ahead of the summer holiday – and if they enjoy the lessons they can sign up for a full term in September.

We offer singing lessons, as well as lessons for the following instruments:

Keyboard / Piano, Guitar (Electric or Acoustic), Drums, Flute, Clarinet, Saxophone, Trumpet, Violin

More information about music lessons can be found on the School website:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://www.cambournevc.org)

And there is an online form that can be completed here:

[Application form for instrument and singing lessons at Cambourne Village College \(office.com\)](http://www.cambournevc.org)

Remember – if your child receives the pupil premium, there is funding available to support them having music lessons.

Earphones / Headphones for KS3 Music Lessons

Pupils in KS3 all classes need to have a pair of earphones or headphones with them to use in their weekly music lessons. These are used through many of their lessons when they are working on keyboards, and will greatly help them in these lessons.

Pupils need to have a standard mini-jack connector (rather than Bluetooth or apple) – and they can be purchased for as little as £2 from supermarkets or online. If you aren't able to provide earphones / headphones for your child to use in music lessons due to financial restraints – please contact Emma Soley (esoley@cambournevc.org) so we can arrange some headphones for them to borrow.

Musical Instruments Gathering Dust...?

If you have any old musical instruments at home that are no longer being used – please consider donating them to the school. We really benefit from instruments that can either be used within the department, or loaned / given to pupils who would benefit from them.

Upcoming Dates for your diary:

- Year 7 & 8 production: Boudicca Goes Ballistic! (7pm, Tuesday 11th & Wednesday 12th July)
- Summer Concert (7pm, Thursday 13th July)

Barons' Sporting Bursary

The Barons' Sporting Bursary is awarded to any CamVC student who would like to join a community sports club or to participate in a sporting festival or event but cannot afford the membership or associated costs.

Its aim is to ensure that every student at CamVC can participate in sport, dance and physical activity regardless of costs. Some examples of how the bursary can be used are:

- Paying for a year's membership to a Sports Club, e.g. Cambourne Netball Club
- Paying for transport costs for you to get into Cambridge to participate in a club
- Paying for additional equipment that you require for your sport, eg a new hockey stick
- Paying for the entry costs of an event like the Cambridge Schools Cross Country
- Paying to attend a sports coaching or refereeing course such as a FA young officials course

If your child would like to apply for the bursary then please ask them to fill out the form [here](#) with as much information as possible about themselves and the sporting opportunity.

Barons' Sporting Bursary

The Barons' Sporting Bursary is awarded to any student who would like to play more sport but cannot afford the membership or associated costs.

Bursaries can be awarded from
£20-£200

Is there a new sports club you would like to join?

Do you need to pay expensive transport costs to get to a club or event?

Is there a coaching or referees course you would like to go on?

If the answer is YES to any of the above questions, then please complete the online application form.

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. Please email (thecollege@cambournevc.org) or call the school on 01954 284000 **by 9am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absent on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by emailing thecollege@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

For any planned absence which is not a medical appointment, please complete a [planned absence request form](#). If possible, please submit this form two weeks before the absence. This will enable us to give you a response before the absence is taken. If a request for planned absence is not made, it is likely to be recorded as Unauthorised on your child's attendance record.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

**Safeguarding is
Everyone's
Responsibility**

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

POST 16 OPEN EVENTS

Attendance at most of the events below is to be self-organised by parents/pupils. We will share all information received on these events, but it is pupils'/ parents' responsibility to register attendance with the individual sixth form/college and organise travel accordingly.

If attending an open event that falls during school hours, a planned absence form will need to be completed, so that student absence can be authorised. Completed forms should be returned to the attendance officer at thecollege@cambournevc.org or handed into Reception. Planned absence forms can be found at: <https://www.cambournevc.org/parent-carer-and-student-information/absence.php>.

Pupils are normally limited to attendance at a maximum of two college open day/ taster day events during school time.

Impington International College Year 10 Taster Day 2023

A message from Impington International College:

Impington International College are hosting their year 10 Taster Day on 10th July 2023.

You can register for tickets now.

On the day you will get the opportunity to hear an introduction to our internationally recognised programmes, tour the college, and try out some of the many subjects we offer.

Here at Impington, we understand that your choices in sixth form depend very much on your future plans.

In order to create your bespoke programme, please choose which 4 subjects you are interested in by filling in this [form](#).

You will be sent confirmation of your choices in due course.

Impington International College is also praised for its top-class football, rugby and netball scholarship programmes and its hugely successful performance school.

If you have this sort of specialist interest, there will be sessions on the day to inspire you!

Please note that this event is for students only.

Our Open Evening is on the 18th October 2023 and we are looking forward to welcoming parents and carers to this.

If you have any questions about the day, and need to contact us, please do on international@ivc.tmet.org.uk.

"Unique and professional environment for learning in a cooperative manner with highly qualified teachers from specialised industries" Josh

CAST is an inspiring, specialist science academy. The college offers a sixth form programme of A level and T level courses along with a unique opportunity to work with nearby business organisations involved in science, engineering and technology.

CAST Sixth Form is a high performing, firmly established sixth form with a strong track record of both academic excellence and student progress. The sixth form has a vibrant atmosphere with a wealth of opportunities while at the same time being small enough to ensure our students are all known and treated as individuals.

Students work in state-of-the-art laboratories and facilities, learning in innovative and exciting ways, supported by CAST's unique partnerships with business. CAST therefore gives its students a head start into their future careers.
