Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absence on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Pupil Photographs

On **Tuesday 19th September**, Pupils will be having their official school photographs, taken by Kittle Photography.

- **Year 7s will be having their individual and tutor group photos**
- **Year 8s will have tutor group photos (as these were missed last autumn)**
- **Year 11 will have their tutor group photos**

If your child has PE on Tuesday, please also ensure that they also have their full school uniform to change into for the photographs.

- If they have PE in the morning—they will want to change into their school uniform later
- If they have PE in the afternoon—they will want to come into school in their uniform and bring their PE kit.

Additional Year 11 individual photographs will be taken in November.

Pupil Flu Vaccinations - Tuesday 26th September

ALL PARENTS = ACTION NEEDED

Flu immunisation for pupils in school years Reception - Year 11

DEAR PARENT/CARER,

The flu vaccine is being offered at your child's school again this autumn/winter.

To give consent for your child to have the flu vaccine, please click here:

<https://eastanglia.schoolvaccination.uk/flu/2023/cambridgeshire>

Even if you do not wish for your child to have the vaccine, please complete the online form so that we can record your wishes.

THE NASAL FLU VACCINE

- ✓ Protects your child from the flu.
- ✓ Protects your family and friends from the flu (especially those who are elderly, young babies, or those who have serious health conditions).
- ✓ Is painless, quick and effective.
- ✓ Is free

THE IM FLU VACCINE

We also offer the flu vaccine as an injection, which is **gelatine-free**. This *may* also be the vaccine of choice for vegans. Please go to our website where you can find out more about the manufacturing of the flu injection, and then decide if the injection is more suited to your child.

You only need to complete one consent form for each child. If you later change your mind, please call your local team. If your child has this immunisation elsewhere after you have submitted the consent form, you **MUST** inform Vaccination UK rather than the school.

We understand that you may have questions about the vaccine. For more information, please go to our website, where you can find a list of FAQ's, as well as details of our community catch up clinics. We also have some FAQ's enclosed below.

You can also find informational videos on our YouTube channel, including subtitled versions for other languages.

WORKING ON BEHALF OF

USEFUL INFO

We endeavour to come to your child's school twice. If they are absent or unable to be vaccinated at school, you will need to attend one of our community clinics for the vaccine. Details of these can be found on our website or you can contact the team above.

PLEASE NOTE the flu vaccine will **NOT** be available to otherwise healthy children after December 15th at all, and so we urge you to return the consent form as soon as possible in case we are not able to visit your child's schools for a second visit this year.

Your consent will remain in place for the entire flu season. If your child misses a first visit, you do not need to complete a second form.

FREQUENTLY ASKED QUESTIONS

Are there any side effects of the vaccine?

Possible side effects are: decreased appetite, headache, a runny or blocked nose, and sometimes a raised temperature. These are common, but they pass quickly and can be treated with paracetamol or ibuprofen if you feel your child needs it.

Are there any children who shouldn't have the nasal vaccine?

You should let us know if your child has any of the following:

- A very severe allergy to eggs, egg proteins, gentamicin or gelatine – it is important for us to know if your child has been admitted to hospital with a condition called anaphylaxis, triggered by these things.
- Are currently wheezy or have been wheezy in the past 72 hours with asthma. There is an alternative flu vaccine that we can talk to you about to ensure that your child is protected as soon as possible.
- Have a condition that severely weakens their immune system.

Also, children who have been vaccinated should avoid close contact with people with *very severely* weakened immune systems for around two weeks following vaccination (By severely weakened, we generally mean people who are isolating, such as those who have received some types of chemotherapy or people who have had a bone marrow transplant, for example). This is because there's an extremely remote chance that the vaccine virus may be passed to them.

Contact with other healthy children or adults does not need to be limited after having the vaccine.

We do not eat pork products.

Can my child have a different flu vaccine?

Yes. There is a flu vaccine available, in the form of an injection.

The nasal flu vaccine is the best vaccine for children and young people under 18 years of age as it is more effective at stopping the spread of flu and it is painless, but it does have a highly processed form of gelatine (porcine gelatine), which is used in a range of many essential medicines. The gelatine helps to keep the vaccine viruses stable so that the vaccine provides the best protection against flu.

If your faith or beliefs mean you would prefer a vaccine that has no pork (porcine gelatine) in it, please complete the consent for the flu injection only. You do not need to complete a form for both.

If your child is vegan, please note that the flu injection is a cell based vaccine. For more information, please see our FAQs page on our website:

SCHOOL UNIFORM

We believe that wearing uniform helps to create a sense of identity and community in school. Our uniform is smart, practical and comfortable and we expect pupils to wear it with pride when at school, on journeys between home and school, and especially when representing the school on visits and fixtures.

Pupils who do not meet our expectations about uniform will be asked to change and non-compliance will usually be sanctioned.

Headphones for KS3 Music lessons (all pupils)

We have enjoyed welcoming Year 7s, and welcoming back Year 8s & 9s to the Music Block this week. As part of their weekly music lessons, they will be continuing to develop their keyboard skills.

To enable pupils to do this with a minimum of distraction we ask all pupils to bring with them to lessons a pair of headphones or earphones that they can use with the keyboards.

We have reminded pupils of this expectation this week in lessons.

These headphones / earphones can be bought for as little £2-£3 from local shops like Morrisons, Home Bargains, or online from places like Amazon. We do not expect (and would strongly discourage) pupils from bringing expensive or bulky headphones with them.

We would expect that it might take pupils between 1 – 2 weeks to source some earphones / headphones, but after that it would be useful if they were ready to use them in lessons. If for any reason it is not possible for your child to bring some earphones to the lesson, please email (or ask them to email) their class teacher. In cases of financial constraints we will be able to provide headphones for pupils to borrow, if arranged in advance.

BOOK RECOMMENDATIONS

The boy you always wanted

by Michelle Quach

Francine knows her a gūng loves her, but she also knows that deep down, he would have preferred it if she had been born a boy. After all, boys take care of the family, girls marry into other people's - at least according to her grandfather's generation. With a gūng's health deteriorating, Francine is on a mission to reassure him that the family name will continue once he is gone. So what if it's the twenty-first century?

Francine is going to bring a gūng the boy he always wanted. Enter Ollie. Francine's former crush, and about as all-American as can be. Ollie's family rarely talk about their Chinese-Vietnamese roots. Could helping Francine finally give him insight into his history and heritage? But as Francine and Ollie spend more time together, Ollie finds himself wondering, is Francine actually the girl he has always wanted?

(Available from the School Library)

Choose Love

by Nicola Davies, illustrated by Petr Horáček

As beautiful in composition as they are gut-wrenching, this is a collection of poems that will leave their imprint. A superb example of the range and skill of Nicola Davies, it is very evident that each and every word has been given considerable thought and as a consequence they sing. At times plummeting the reader to the depths of despair and in the next, offering the glimmers of hope which keep people alive. This is poetry at its finest, able to take a topical issue, remove the politics and remind the reader that at the heart of this issue are humans.

The artwork of Petr Horáček is engaging and complements the words of each poem. The images evoke an emotional response every bit as much as the poems themselves, and are very much integral to the overall success of the title. *(Available from the School Library)*

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

TEAMS | ONENOTE

Microsoft Teams, Teams assignments, and OneNote are becoming increasingly more central to the way we are providing and receiving work. Below are some resources to help you support your children with these services.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

**Safeguarding is
Everyone's
Responsibility**

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad
