Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absence on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

School Uniform Updates - November 2023

Dear Parents and Carers

Our second uniform consultation recently closed, and we wanted to take this opportunity to thank all 490 of you who responded to this. The feedback proved invaluable. We have read through these responses, and taken them into consideration.

We previously said that in January 2024 we would be moving to a fully branded uniform, including branding on all trousers, skirts and shorts. However, we have only one supplier of branded uniform currently, and therefore, taking into account the views shared in this consultation, we will not go ahead with this change at this point.

It was really clear that the cost, style and durability of the current uniform are priorities to parents and carers. **To this end, we have decided to extend the period during which non-branded skirts, school shorts and trousers can be worn, while we resolve this issue with suppliers.**

Like you, we believe that wearing uniform helps to create a sense of identity and community in school. We want to maintain our current high standards of school uniform and to ensure that all uniform follows our principles of being smart, practical and comfortable.

To offer clarity, we have attached the updated [uniform policy](#) alongside [examples of uniform](#) that fit our policy.

All future uniform updates will be communicated in a timely way. If you have any questions about school uniform, please contact your child's year team.

Kind regards

Tom Darling

Flu Vaccination catch up: A Message from NHS England

We have catch-up clinics sessions for children who might have been missed during the session/sessions at school.

Please see the letter below containing useful information about the catch-up clinics' appointment to include the link required (by parents) to give consents.

We are due to hold the **First Session** on Saturday the **11th of November**.

Please also bear in mind that this is not happening in schools but at local clinics, and we would be vaccinating children from the Reception to Year 11.

Feel free to reach out should you have any questions.

To book here: [Vaccination UK East Anglia Immunisation \(schoolvaccination.uk\)](https://schoolvaccination.uk)

Flu Vaccination Final Reminder

Please note this is NOT the Covid vaccination.

Dear Parent/Carer,

If your child has missed having their Flu vaccination at school, please click on the link below to book a catch-up appointment at a local clinic. You can book for both the Flu Nasal Spray and the Porcine free IM Vaccine.

During last year's flu season the flu virus caused children and young people to be admitted to hospital, and some into intensive care, at increasing rates to previous years. The flu virus could make your child extremely unwell and can lead to severe ear infections and bronchitis and pneumonia (chest infections) in children and young people.

Flu vaccines are safe and very effective at reducing the risk of contracting flu. Children who have the flu vaccine are less likely to pass the virus on to friends and family, especially those who may be at greater risk from flu, such as young babies, elderly people or friends and relatives with a serious health condition.

A letter to parents and carers of our Year 9, 10 & 11 pupils, from Peter Hains, Char of the Henry Morris Memorial Trust (registered charity: 311419)

p.hains105@btinternet.com

HENRY MORRIS

Memorial Trust

Dear Parents / Carers

Oct 2023

Re Henry Morris Awards 2024

I am writing to let you know about an exciting opportunity for your son or daughter.

Every year, the Henry Morris Memorial Trust offers students the chance to apply for financial awards. These awards are for students (13-19) for 'travel with purpose' or for 'home-based projects'. Students from all Cambridgeshire secondary schools are entitled to apply.

In previous years, students have travelled, alone or in groups, to destinations in the UK and abroad like the Norfolk coast, Stratford, Edinburgh, Paris, Rome and Amsterdam. Home based projects have included building a virtual reality drone, restoring a wrecked 'cello and making a Regency style dress.

Sometimes the projects have a direct impact on students' learning at school, for example art students visiting a gallery in London. Other projects, like walking the Norfolk Coastal Path, develop independence and confidence and can be life-changing experiences. Examples of what students have done can be seen on our website: www.henrymorris.org.

Students apply by using the application form on the website. The **deadline** is the **31st January 2024**. The majority of applicants will be called to interview in Queens' College at Cambridge University on a Saturday in March. For students who live a long way from Cambridge, we can offer a travel bursary to help with the costs of getting to the interview (details will be available on our website).

After the successful students have completed their projects, they are required to write a report, and we give financial prizes for the best ones.

I hope you will encourage your son or daughter to look at our website, and to consider applying for an award.

Yours faithfully

Peter Hains

Chairman.

As the college continues to grow in size, we have increasing numbers of pupils cycling to and from school.

We routinely deliver assemblies to pupils to remind them about road safety and the importance of being considerate to pedestrians and other road users but we occasionally receive reports of unsafe conduct.

If your child cycles to and from school, please do remind them to cycle on the roads or designated pathways, cycle at a safe speed, and to be aware of their surroundings/ other road users.

It is also important that you remind your child to park their bikes in our designated bike and scooter sheds and particularly **NOT IN FRONT OF THE PRIMARY SCHOOL** (which is for the primary school ONLY).

If you are interested in additional training for your child from Bikeability please follow this link: <https://www.cambournevc.org/parent-carer-and-student-information/bikeability.php> and <https://outspokentraining.co.uk/>

Further tips and advice for cyclists can be found here: <https://think.gov.uk/cycle-safety/>

MUSIC

Music Clubs

All our music clubs are up and running – so if your child plays an instrument, or enjoys singing, then please encourage them to come along.

The following clubs will be running this term.

- Monday 3 – 4pm: CamVC Band – All instrumentalists welcome (Years 7 – 11)
- Tuesday 3- 4pm: Junior Singers (Years 7 – 9) – Christmas mini-production *tba*
- Tuesday 3 – 4pm: Rock Bands (Years 9 – 11)
- Thursday 3 – 5pm: School Production (Years 7 – 11)
- Friday 3 – 4pm: Senior Choir (Years 9 – 11)

Pupils are very welcome to come along and try any club they are interested in joining.

Instrumental & Singing Lessons

These will be starting next week, and everyone signed up for lessons will receive an email confirming the day and time of their first lesson.

If your child is interested in doing Instrumental or Singing lessons, there are still many places available. You can sign them up for lessons using the online form, found here:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

Headphones for KS3 Music lessons (all pupils)

As part of the Years 7, 8 and 9 weekly music lessons, they will be continuing to develop their keyboard skills.

To enable pupils to do this with a minimum of distraction we ask all pupils to bring with them to lessons a pair of headphones or earphones that they can use with the keyboards.

We have reminded pupils of this expectation this week in lessons.

These headphones / earphones can be bought for as little £2-£3 from local shops like Morrisons, Home Bargains, or online from places like Amazon. We do not expect (and would strongly discourage) pupils from bringing expensive or bulky headphones with them.

We would expect that it might take pupils between 1 – 2 weeks to source some earphones / headphones, but after that it would be useful if they were ready to use them in lessons. If for any reason it is not possible for your child to bring some earphones to the lesson, please email (or ask them to email) their class teacher. In cases of financial constraints we will be able to provide headphones for pupils to borrow, if arranged in advance.

BOOK RECOMMENDATIONS

Aurora rising (Aurora Cycle_01)

By Amie Kaufman and Jay Kristoff

The year is 2380, and the graduating cadets of Aurora Academy are being assigned their first missions. Star pupil Tyler Jones is ready to recruit the squad of his dreams, but his own boneheaded heroism sees him stuck with the dregs nobody else in the Academy would touch: a cocky diplomat with a black belt in sarcasm; a sociopath scientist with a fondness for shooting her bunkmates; a smart-ass techwiz with the galaxy's biggest chip on his shoulder; an alien warrior with anger management issues; a tomboy pilot who's totally not into her squad leader, in case you were wondering... and Ty's squad isn't even his biggest problem - that'd be Aurora Jie-Lin O'Malley, the girl he's just rescued from interdimensional space. Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making, and Tyler's squad of losers, discipline-cases and misfits might just be the last hope for the entire galaxy. *(Available from the School Library Year 9+)*

Lads: a guide to respect and consent

by Alan Bissett

Be the guy to step up, speak out and create positive change.

Have you ever been in a situation where there's a loud guy making inappropriate comments, cracking jokes that only he thinks are funny or leering at the girls in the room? You can feel it in the room, right? That guy is causing a lot of tension and giving lads everywhere a bad name.

This is a book about how not to be that guy. It's a book about getting comfortable calling out bad behaviour. And it's a book that will help you feel confident navigating the modern minefield of relationships and interacting with girls, while being the guy that makes girls feel safe, heard and respected.

From flirting with disaster and staying in the friend zone, to porn, locker-room talk, consent and inappropriate behaviour. This is the handbook for those who want to be The Good Guy - the one that everyone wants to have around.

(Available from the School Library)

ARTICLES

Students have access to a Teams channel of articles that school staff have chosen as being particularly interesting.

If your child is looking for something to read, there is a continually-updated selection – they'll fit nicely into the reading time each day, and offer something current to learn more about.

Find it here: [Recommended Articles](#)

If your child has **lost an item of uniform**, please ask them to check with their **Year team office** in the first instance, or please **email thecollege@cambournevc.org** so that we can arrange for your child to check our unnamed items.

If your child needs a coat/jacket and would like to look through our unnamed items to find something suitable for them, please ask them to go to their Year team office or email the College.

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

**Safeguarding is
Everyone's
Responsibility**

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

Students IT Support

If your child needs a password reset, for example to their email, Show My Homework or any of the platforms we use at the College, or if they have any issues with their iPads, please email cam-support@cambournevc.org.

We will aim to respond to any enquiry within 48 hours.
