Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absence on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

SCHOOL UNIFORM: EXPECTATIONS

Like you, we believe that wearing uniform helps to create a sense of identity and community in school. It helps improve safety and has a positive effect on the learning environment.

We want to maintain our current high standards of school uniform and to ensure that all uniform follows our principles of being smart, practical and comfortable. We expect pupils to wear it with pride when at school, on journeys between home and school, and especially when representing the school on visits and fixtures.

We are continually grateful for your support in sending your children to school in the correct uniform. We previously said that in January 2024 we would be moving to a fully branded uniform, including branding on all trousers, skirts and shorts.

A reminder that we have decided to extend the period during which non-branded skirts, school shorts and trousers can be worn, while we resolve this issue with suppliers.

To offer clarity, we have attached the updated [uniform policy](#) alongside [examples of uniform](#) that fit our policy.

Thank you.

Notices

Food on Tuesday 19th December

Just a reminder that there will be no break or lunch canteen food offering on Tuesday 19th December due to the school Christmas dinner.

If your child has not chosen to have the school Christmas dinner, then please make sure they have a packed lunch with enough food for both break and lunch time.

Moving from Go4Schools to My Child at School (BromCom)

After Christmas, all information that parents currently access through Go4Schools will start to move across to a new service called **My Child at School**, which we hope will give parents and carers quicker and easier access to information about their child.

Attendance and behaviour information will be accessible through My Child at School at the start of January. Signing up for access is extremely quick and simple, and we will be sending out information about this, and My Child at School's features, at the start of term. Initially, progress and attainment in subjects will still need to be accessed through Go4Schools, along with historical information, and we will let you know once everything has moved to My Child at School.

Christmas holiday mental health and wellbeing support:

This is a reminder that there are lots of places you can go to for support with your wellbeing and mental health. I know we have told you about these in assemblies/Wellbeing Wednesdays/parent bulletins/school website etc. over the year, but I wanted to make sure that you have everything in one place for the Christmas holidays.

There are some good online support organisations. Check the wellbeing notice board outside the main hall for some details, and see below for the links:

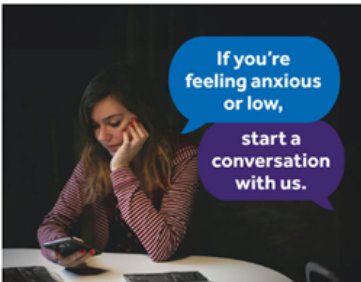

If it's an emergency or you need urgent help

- If you or someone else is in danger, call [999](tel:999) or go to A&E now
- If you need help urgently for your mental health, but it's not an emergency, [get help from NHS 111 online](#) or call [111](tel:111)

Your mental health is as important as your physical health. You will not be wasting anyone's time.

Online support for mental Health:

Year 7 & 8 Christmas Production: A Christmas Carol – 7pm, Monday 18th December

Of all the Christmas tales and stories, one of the best loved is A Christmas Carol by Charles Dickens.

This term our Year 7s and Year 8s have been working very hard to learn 14 songs to put together a musical version of this haunting, and yet ultimately heart-warming Christmas fable.

Come along and see the Year 7 & 8 Christmas production, a sequence of spine-chilling songs and dramatic readings on Monday 18th December.

Tickets for the concert are £6 / £4 (concessions).

<https://www.wegotickets.com/event/601702>

Concessions are available to anyone who would normally expect to pay a concession, or would benefit from paying the reduced ticket price. If you would like to come to the concert, but are not able to afford the ticket price, we still want you to be able to attend, so please email Emma Soley (esoley@cambournevc.org) to book your place.

The concert starts at 7pm, and will run for approximately 2 hours (including an interval). Doors will open at 6:45pm, and pupils performing in the concert should arrive by 6pm at the latest.

Professor David Reynolds

WHY AMERICA'S HISTORY MATTERS.

In the year of another US presidential election - likely to be even more significant than 2020 - historian Prof. David Reynolds takes a long view of America's epic and often tragic saga. Ranging over the last few centuries he picks out a few moments on which history turned - shaping North America and increasingly the world.

Dear Parent/Carer

IMPORTANT INFORMATION
Diphtheria, Tetanus, Polio (DTP) and Meningococcal ACWY (MenACWY)

In line with the National Immunisation Programme, the Community School Aged Immunisation Service offers Diphtheria, Tetanus and Polio and Meningococcal ACWY vaccinations to all pupils in Year 9. It may also be offered to older students who missed the vaccinations.

Diphtheria, Tetanus and Polio (3 in 1 teenage booster)

This booster dose is important to ensure a young person's continuing immunity and protection against these diseases. University, College and future employers increasingly ask for evidence of this vaccination.

Meningococcal ACWY

Meningococcal ACWY vaccination helps to protect your child against 4 types of meningococcal bacteria (groups A, C, W, and Y) that can cause meningitis (inflammation of the lining of the brain) and septicaemia (blood poisoning). Cases of meningococcal W disease in England have increased significantly in recent years.

For Further information about vaccines, click [here](#)

A response is required. You must accept or decline the vaccinations by completing the online form.

We will be in school on Thursday 18th January 2023

The electronic link will close at 3:00 pm the working day before of the session.

Please click on the link [Men/DTP Riviam Link](#) and complete the form.

Please note the form will not work on some mobile phones and tablets. Please call 0300 555 5055 for alternative consent options.

On the date of vaccination, we ask to see the whole year group. It is important for you to discuss and complete the consent form with your child, so they are aware of your wishes.

Measles / Mumps / Rubella (MMR)

We would also like to remind you that all children and young people should have 2 doses of MMR. If you are not sure whether your child has been fully immunised against MMR please contact your local CSAIS Team.

MUSIC

Music Clubs

All our music clubs are up and running – so if your child plays an instrument, or enjoys singing, then please encourage them to come along.

The following clubs will be running this term.

- Monday 3 – 4pm: CamVC Band – All instrumentalists welcome (Years 7 – 11)
- Tuesday 3- 4pm: Junior Singers (Years 7 – 9) – Christmas mini-production *tba*
- Tuesday 3 – 4pm: Rock Bands (Years 9 – 11)
- Thursday 3 – 5pm: School Production (Years 7 – 11)
- Friday 3 – 4pm: Senior Choir (Years 9 – 11)

Pupils are very welcome to come along and try any club they are interested in joining.

Instrumental & Singing Lessons

These will be starting next week, and everyone signed up for lessons will receive an email confirming the day and time of their first lesson.

If your child is interested in doing Instrumental or Singing lessons, there are still many places available. You can sign them up for lessons using the online form, found here:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

Headphones for KS3 Music lessons (all pupils)

As part of the Years 7, 8 and 9 weekly music lessons, they will be continuing to develop their keyboard skills.

To enable pupils to do this with a minimum of distraction we ask all pupils to bring with them to lessons a pair of headphones or earphones that they can use with the keyboards.

We have reminded pupils of this expectation this week in lessons.

These headphones / earphones can be bought for as little £2-£3 from local shops like Morrisons, Home Bargains, or online from places like Amazon. We do not expect (and would strongly discourage) pupils from bringing expensive or bulky headphones with them.

We would expect that it might take pupils between 1 – 2 weeks to source some earphones / headphones, but after that it would be useful if they were ready to use them in lessons. If for any reason it is not possible for your child to bring some earphones to the lesson, please email (or ask them to email) their class teacher. In cases of financial constraints we will be able to provide headphones for pupils to borrow, if arranged in advance.

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

New Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

Texting HEAR to 85258 is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit www.keep-your-head.com

If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org
