## Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email [cam-absence@cambournevc.org](mailto:cam-absence@cambournevc.org) by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absent on the previous day we cannot assume they are still at home poorly.

## Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by [cam-absence@cambournevc.org](mailto:cam-absence@cambournevc.org) with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

## Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to [cam-absence@cambournevc.org](mailto:cam-absence@cambournevc.org) or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

**All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.**

## History Revision Space Every Thursday Lunchtime in BLUE 13:

Please encourage your children to come and complete some History revision in a quiet independent History study room! This will take place every **Thursday**

The lectures are open  
to all and will be hosted  
at Cambourne Village

## FREE LECTURE PROGRAMME

Join us for our next free History Community Lecture on  
Tuesday 7<sup>th</sup> May (4-5pm)- this event is open to ALL

*Professor Robert Gildea*

### *What is History For?*

When I was a schoolboy, I kept newts and put snails into the tank to purify the water. Later it occurred to me that historians were like snails in the tank of society, cleaning up misconceptions of the past. Having taught history for forty years, I have returned to the question of what history is for. Partly to bust myths spun by politicians to legitimate their own power and expansionism, partly to explore how history is used to define identities of class, gender and ethnicity. I will ask why societies should work through their own painful pasts and suggest that everyone can be and should be a historian.

## Archives Live: D-Day

Join acclaimed broadcaster Dan Snow for this live event to mark the 80th anniversary of D-Day, the single largest seaborne invasion in history and a pivotal moment in the Second World War.

Dan Snow is a BAFTA award-winning presenter, historian, author and creative director of History Hit. He has extensively examined how the Allied forces planned and executed Operation Overlord.

Documents held at The National Archives reveal the experiences of remarkable individuals, crucial to the success of the operation. The event will include stories of undercover reconnaissance missions to Normandy beaches conducted in the dead of night and enemy deception through top-secret messages written in invisible ink. Students will explore D-Day through lesser told personal stories, including a spy, a nurse and a tank driver. Alongside our record specialist Will Butler, Dan Snow will open and explore original documents live. Students will deepen their understanding through interactive document challenges, including a de-coding activity, and group discussion.

This event provides students with the unique opportunity to hear live from Brigadier R L Scott-Bowden MBE, the son of one of these inspiring individuals, providing a deeply personal insight into their story.

**Monday 3rd June 1.45-3pm**

All students in Year 9 and Year 8 are invited to attend a live workshop facilitated by the National Archives to commemorate the 80th anniversary of D Day.

The workshop will take place during the school day at Cambourne Village College and will support students studying the Second World War in their History lessons.

**The workshop will be free of charge.**

Students wishing to take part should register their interest on PARENT PAY by **Friday 24TH May.**

# BOOK RECOMMENDATIONS

## ***They Both Die At the End***

By Adam Silvera

On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: there's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day.

Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. Another beautiful, heartbreaking and life-affirming book from the brilliant Adam Silvera, author of *More Happy Than Not* and *History Is All You Left Me*. **(Available from the School Library and SORA)**

## ***Weirder Maths: at the edge of the possible***

By David Darling and Agnijo Banerjee

Even the most enthusiastic of maths students probably at one time wondered when exactly it would all prove useful in 'real life'. Well, maths reaches so far and wide through our world that, love it or hate it, we're all doing maths almost every minute of every day. David Darling and Agnijo Banerjee go in search of the perfect labyrinth, journey back to the second century in pursuit of 'bubble maths', reveal the weirdest mathematicians in history and transform the bewildering into the beautiful, delighting us once again. *'A grand tour of the most exotic locations in the mathematical cosmos. Weirder Maths is exhilarating and entertaining, and will leave you with a wide-eyed appreciation of the world of numbers.'* - Michael Brooks, author of *Astrologer's Handbook* **(Available from the School Library)**

### **Music Clubs**

All our music clubs are up and running – so if your child plays an instrument, or enjoys singing, then please encourage them to come along.

The following clubs will be running this term.

- Monday 3 – 4pm: CamVC Band – All instrumentalists welcome (Years 7 – 11)
- Tuesday 3- 4pm: Junior Singers (Years 7 – 9) – Christmas mini-production *tba*

- Thursday 3 – 5pm: School Production (Years 7 – 11)
- Friday 3 – 4pm: Senior Choir (Years 9 – 11)

Pupils are very welcome to come along and try any club they are interested in joining.

### **Instrumental & Singing Lessons**

These will be starting next week, and everyone signed up for lessons will receive an email confirming the day and time of their first lesson.

If your child is interested in doing Instrumental or Singing lessons, there are still many places available. You can sign them up for lessons using the online form, found here:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

### **Headphones for KS3 Music lessons (all pupils)**

As part of the Years 7, 8 and 9 weekly music lessons, they will be continuing to develop their keyboard skills.

To enable pupils to do this with a minimum of distraction we ask all pupils to bring with them to lessons a pair of headphones or earphones that they can use with the keyboards.

We have reminded pupils of this expectation this week in lessons.

These headphones / earphones can be bought for as little £2-£3 from local shops like Morrisons, Home Bargains, or online from places like Amazon. We do not expect (and would strongly discourage) pupils from bringing expensive or bulky headphones with them.

We would expect that it might take pupils between 1 – 2 weeks to source some earphones / headphones, but after that it would be useful if they were ready to use them in lessons. If for any reason it is not possible for your child to bring some earphones to the lesson, please email (or ask them to email) their class teacher. In cases of financial constraints we will be able to provide headphones for pupils to borrow, if arranged in advance.

Dear parents and carers,

The Cambourne Music School (for primary pupils in years 2 – 6) is now offering sessions for Beginner **Guitars** – starting from after Easter. ## Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

**Texting HEAR to 85258** is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit [www.keep-your-head.com](http://www.keep-your-head.com)

If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

## Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

### **What is safeguarding?**

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### **What do we do at CamVC to safeguard your child?**

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

### **How can we help you?**

If you have any concerns about your child or you would like any support, please contact us via [cam-safeguarding@cambournevc.org](mailto:cam-safeguarding@cambournevc.org)

**Safeguarding is  
Everyone's  
Responsibility**

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
