Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absence on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Message from Total Clothing:

We have designed the **new uniform guide** for you to send out to your new and existing parents to help make the purchase of school uniform easy for them.

Inside you will find:

- Hints and Tips on measuring to help you get the right fit first time.
- How to place your school uniform order on-line
- Ways to get in touch with our Schools Team
- Our Top Uniform Tips and shop location in Woodston, Peterborough, PE2 9QP.

The QR code, will be useful for any events that new parents are attending or parent evenings for existing pupils. The code takes parents directly to the on- line shop.

We are also giving the parents the chance to WIN A £50.00 UNIFORM VOUCHER for this back to school. All they need to do is shop before the end of July in store or on-line to be included in our Prize Draw.

Our “**Schools Team**” are looking forward to helping your parents with their “back to school” uniform requirements.

TEAM TOTAL (Left to right(Ryan Clayton-Kent, Shop Manager, Carol Wadsley Senior Sales Assistant, Mollie Crombie Sales Support Assistant, and Barbara Hammond (Babs) Customer Service/Sales Assistant.

We always encourage parents to order as soon as possible to ensure they will have the correct uniform for back to school. We aim to dispatch in stock items within 1-3 working days, but please allow up to 10 working days.

Our Shop in Peterborough is open Monday - Friday 9am till 5pm. (during the summer holidays we open on Saturdays 10-4pm)

We are here to help you if you have any questions please call our Schools Team on 01733 394758, contact us via live chat on our website or email customerservices@totalclothing.co.uk who will be happy to advise you.

REMEMBER ON LINE ORDERS NEED TO BE PLACED BY Wednesday 14th August to receive in time for back to school.

As always, if there is anything we can help with please do not hesitate to contact myself, Janer, Janet@totalclothing.co.uk or Mollie (mollie@totalclothing.co.uk)

More information about our **NEW School Uniform Supplier: Schoolyard** will be on our website soon, with ordering commencing from **1st July 2024.**

Time to make space!

We are incredibly proud of our talented pupils who are set to embark on an extraordinary journey as they represent **the UK in the Asia Pacific FIRST LEGO Robotics Open Championship**, in Sydney, Australia, this coming July.

Among 75 regional champions from schools across the UK and Ireland, teams including CamVC pupils secured impressive 2nd, 5th, and 8th places at the National finals of the FIRST LEGO League Robotics Championship held in Harrogate on 19th April. First LEGO League is a research and robotics tournament held every year in which the participants work on a joint project for several months as a team. Team CERC Activate came 2nd in the Championship earning their invitation to Sydney.

The Institution of Engineering and Technology (IET) have offered support of £3000 towards the registration fees. However, the team's total travel and accommodation expenses amount to £40,000.

If you are able to help these talented children to attend the Open Championship in Australia please contribute via this link: <https://cafdonate.cafonline.org/26033#!/> [DonationDetails](#).

Thank you!

Items that have been handed into reception this week: 13th May - 17th May

Any items not collected within 4 weeks will be donated to charity.

Cyber Choices and Online Safety Events

For parents / carers of children aged 9 and up

You are invited to attend two **free** online sessions to discuss all things "cyber".

These sessions will be suitable for parents/carers of children in Year 5 (age 9) and above. This will be a fantastic opportunity to learn and ask questions regarding your child's online world and it shouldn't be missed!

Part 1 will introduce you to the Cyber Choices programme which will be delivered by the Eastern Region Cyber Choices Team. They will provide:

- An overview to parents and carers on what cybercrime is.
- What the risks to young people are.
- How the Cyber Choices programme supports at-risk individuals.
- How you can refer a young person into Cyber Choices.

You will also hear from Kent County Council's Education Safeguarding Team, who will provide an overview of;

- Some of the potential risks that children and young people may experience online.
- Advice to support parents to make informed decisions and keep their children safer online.

Please visit the NCA website to find out more about [Cyber Choices](#)

*Please register for **one** part 1 session only (as these will be duplicated), by clicking on the link below.*

Part 2 will be delivered by the Eastern Region Cyber Protect Team. They will provide:

- Advice on how to improve your personal cyber security.
- Identifying and protecting yours (and your children's) key accounts.
- Threats and techniques that cyber criminals may use to target you / your family.
- Benefits of family accounts.
- Parental controls on your router.
- Signposting to useful resources.

The aim of the session is to provide you with tools and techniques to improve the cyber security of your family.

Advice and guidance from the session will be in line with the Government's [Stop! Think Fraud](#) and the National Cyber Security Centres [CyberAware](#) campaigns.

*Again, please register for **one** part 2 session only (as these will be duplicated), by clicking on the link below.*

Cambridge YOUTH ASSEMBLY

NOVEMBER

2024

What is a 'Youth Assembly'?

The Cambridge City Youth Assembly is the first formal meeting of delegates with the City Council to represent the views and opinions of young people.

The Youth Assembly seeks to engage young voices in the process of improving our community through democratic process.

The Cambs Youth Panel is sending a delegation to represent your views.

www.cambsyouthpanel.co.uk

Music Clubs

All our music clubs are up and running – so if your child plays an instrument, or enjoys singing, then please encourage them to come along.

The following clubs will be running this term.

- Monday 3 – 4pm: CamVC Band – All instrumentalists welcome (Years 7 – 11)
- Tuesday 3- 4pm: Junior Singers (Years 7 – 9) – Christmas mini-production *tba*
- Tuesday 3 – 4pm: Rock Bands (Years 9 – 11)
- Thursday 3 – 5pm: School Production (Years 7 – 11)
- Friday 3 – 4pm: Senior Choir (Years 9 – 11)

Pupils are very welcome to come along and try any club they are interested in joining.

Instrumental & Singing Lessons

These will be starting next week, and everyone signed up for lessons will receive an email confirming the day and time of their first lesson.

If your child is interested in doing Instrumental or Singing lessons, there are still many places available. You can sign them up for lessons using the online form, found here:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

Headphones for KS3 Music lessons (all pupils)

As part of the Years 7, 8 and 9 weekly music lessons, they will be continuing to develop their keyboard skills.

To enable pupils to do this with a minimum of distraction we ask all pupils to bring with them to lessons a pair of headphones or earphones that they can use with the keyboards.

We have reminded pupils of this expectation this week in lessons.

These headphones / earphones can be bought for as little £2-£3 from local shops like Morrisons, Home Bargains, or online from places like Amazon. We do not expect (and would strongly discourage) pupils from bringing expensive or bulky headphones with them.

We would expect that it might take pupils between 1 – 2 weeks to source some earphones / headphones, but after that it would be useful if they were ready to use them in lessons. If for any reason it is not possible for your child to bring some earphones to the lesson, please email (or ask them to email) their class teacher. In cases of financial constraints we will be able to provide headphones for pupils to borrow, if arranged in advance.

BOOK RECOMMENDATIONS

Parallel Lines

By Ruth Marks Eglash

Imagine coming of age surrounded by terror and militancy. Tamar, Nour, and Rivki all live in Jerusalem, and all are on the cusp of adulthood, but in a city of tribal culture and an intractable conflict, it is almost inconceivable they will ever meet, let alone become friends. Then, one night, during yet another cycle of violence, their paths cross just as a terrorist decides to carry out an attack on the light rail train. *Parallel Lines* explores the devastating emotional and physical toll of war, ethnic conflict, and religious codes on young people growing up in the holy city. This fictional account of Jerusalem's conflict captures the pain and angst from all sides through the eyes of three unlikely heroines. From journalist Ruth Marks Eglash, who raised three children in Jerusalem during her time as a reporter and editor for *The Jerusalem Post*, and later as Jerusalem correspondent for *The Washington Post*.

Shape: the hidden geometry of absolutely everything

By Jordan Ellenberg

The word 'geometry,' from the Greek, means 'measuring the world.' But according to Jordan Ellenberg, geometry doesn't just measure the world - it explains it. In this book he reveals the geometry underneath some of the most important scientific, political, and philosophical problems we face, from the spread of coronavirus to the rise of machine learning. How should a democracy choose its representatives? How can you stop a pandemic from sweeping the world? How do computers learn to play chess? Can ancient Greek proportions predict the stock market? (Sorry, no) The answers to all these questions can be found in geometry. Ellenberg's enthusiasm for his subject, along with his use of humour, creates an entertaining read which draws the reader in and enables them to engage with an often misunderstood or avoided subject!

Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

Texting HEAR to 85258 is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit www.keep-your-head.com

If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

**Safeguarding is
Everyone's
Responsibility**

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
