Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absence on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Film Of The Week (FOTW)

As you hopefully all know by now, my name is Mrs Milne, and I am Head of Film Studies here at CamVC. As a HUGE lover of Film, I thought it would be nice to share my weekly recommendations for you as a family to view. Some you will have seen or heard of, others will be a little more obscure, but all will be appropriate for the whole family and something for you all to share and enjoy. I will endeavour to select from a variety of viewing platforms/streaming sites, so there'll be something for everyone eventually.

My fourth FOTW is actually a double-bill and I am SO excited to share them with you!:

Available on Disney+, **Hocus Pocus 1 and 2** are the BEST Halloween films for the family, for friends, for everyone!

Focusing on the scary yet utterly hilarious Sanderson Sisters, these films look at the impact persecution can have on sisters who, admittedly, are actually witches that like to eat children! The first film is slightly darker in tone than the second, but both find opportunities to show off Bette Midler's amazing vocals as well as comedic timing, brilliantly supported by Kathy Najimy and Sarah Jessica Parker.

These are the best family-fun movies for this time of year and will have you laughing and singing all the way to November!

The Grandest Game

By Jennifer Lynn Barnes

An exciting new series set within the world of Inheritance Games. Welcome to the Grandest Game, a life-changing competition run by billionaire Avery Grambs and the four infamous Hawthorne brothers. Lyra tells herself she's only playing for the money - not for answers about her father's death and certainly not to confront the infuriating, enigmatic Grayson Hawthorne. Facing off against Lyra are Gigi, Grayson's half-sister, who is determined to prove herself, and Rohan, who has few morals, a dangerous skill set, and no future - unless he wins the game. As sparks fly and the challenges push the players to their limits, it becomes clear that everyone has secrets, and the past won't stay buried forever. **(Available from the school library)**

The Voices in the Shadow: Volume 3

By GTA Black Women in Tech

The under-representation of great Black women leaves Black women and young Black girls to accomplish their goals without role models or confidence. This means an increase in representation is imperative to raise inspiration. New research also suggests that more than half of the UK workforce lacks essential digital skills needed for work, raising fears that the country is heading toward a digital skills shortage. 'The Voices in the Shadows' celebrates 51 black women who have made an impact across the globe for social, economic and gender justice in the world of technology. Women who dared to dream, dared to challenge and dared to create change. It gives Black women and young Black girls the empowerment they need for them to feel that there is a place for them to flourish professionally. **(Available from the school library)**

The MFL Department are proud to present:

Duolingo Languages Competition open to Parents & Pupils

For the competition, the aim is to use the Duolingo app or website to learn a language. You can continue learning a language you are already learning, or you can learn more than one language. The winner in each category will be the person who has gained the most XP, or Experience Points, within Duolingo by **9am on Sunday 1st December 2024**. There will be prizes for the winners in each category (Parents + all Year Groups). Duolingo is free of charge to use.

Parents and pupils can choose which languages to learn. Perhaps you wish to support your child learning the French, German and Spanish that we offer here at CamVC; maybe you wish to explore a less obvious language such as Swahili, Vietnamese or Hungarian. If learning a language was a new year's resolution, our competition might just give you that added impetus!

If you already have a Duolingo account, you can carry on using it for this competition. Pupils should sign up with their name and school email address so that the lucky winner can be given the prize.

Some Duolingo features are disabled to ensure participants' privacy and safety: you will not be able to participate in discussions, make friend requests, follow other participants or participate in leagues. The competition organisers will be able to see participants' names and progress until the close of the competition, and will be able to see the emails participants used to sign up. Here are the links to sign up:

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

Texting HEAR to 85258 is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit www.keep-your-head.com

If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

**Safeguarding is
Everyone's
Responsibility**
