Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absence on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Film Of The Week (FOTW)

As you hopefully all know by now, my name is Mrs Milne, and I am Head of Film Studies here at CamVC. As a HUGE lover of Film, I thought it would be nice to share my weekly recommendations for you as a family to view. Some you will have seen or heard of, others will be a little more obscure, but all will be appropriate for the whole family and something for you all to share and enjoy. I will endeavour to select from a variety of viewing platforms/streaming sites, so there'll be something for everyone eventually.

My FOTW this week has been selected as we're coming to the end of November and into the festive season. Whatever your beliefs, you cannot avoid Christmas when you live in the UK. There has been a lot of debate recently about when one should decorate for the festive season, and I think this film is the BEST way to bridge the gap between the cultural festivities of Halloween and Christmas. My Film of the Week this week is...

As a HUGE Tim Burton fan, this is one of his finest and is also his first film to be filmed entirely with stop-motion animation. **The Nightmare Before Christmas** (available on Disney+ or to rent on other streaming platforms) tells the story of the King of Halloween, Jack Skellington who, having grown bored of terrifying everyone in the 'real world', stumbles upon Christmastown and is given a new lease on life. He plots to bring Christmas under his control by kidnapping Santa Claus and taking over the role. But Jack soon discovers even the best-laid plans of mice and skeleton men can go seriously awry.

I'm going all-out Christmas movies from next week, so be prepared for some heartwarming and festive fun, plus Kurt Russell as a rock'n'roll star!

Ansu Fati: Football Rising Stars Series

By Harry Meredith

Making his senior debut at just 16 years old, Ansu Fati became the second youngest footballer to play for Barcelona. He has swiftly set La Liga on fire at one of the biggest clubs in the world. Since playing on makeshift pitches in Guinea-Bissau as a boy, Ansu has made the Camp Nou stadium his home. The famous number 10 shirt, previously worn by Ronaldinho and Lionel Messi is now his. Ansu Fati is part of the Football Rising Stars series, which dives into the incredible journeys of ten of the world's best young players. Featuring fresh talents from around the world, including Jadon Sancho, João Félix, Erling Braut Haaland, Trent Alexander-Arnold, Marcus Rashford, Kylian Mbappé, Kai Havertz, Phil Foden, Ansu Fati and Bukayo Saka, the series covers their unique stories. You can also check out our Women's Football Rising Stars series, showcasing the journeys of some of the best female players. ***(Available from the school library)***

Duolingo Languages Competition open to Parents & Pupils

For the competition, the aim is to use the Duolingo app or website to learn a language. You can continue learning a language you are already learning, or you can learn more than one language. The winner in each category will be the person who has gained the most XP, or Experience Points, within Duolingo by **9am on Sunday 1st December 2024**. There will be prizes for the winners in each category (Parents + all Year Groups). Duolingo is free of charge to use.

Parents and pupils can choose which languages to learn. Perhaps you wish to support your child learning the French, German and Spanish that we offer here at CamVC; maybe you wish to explore a less obvious language such as Swahili, Vietnamese or Hungarian. If learning a language was a new year's resolution, our competition might just give you that added impetus!

If you already have a Duolingo account, you can carry on using it for this competition. Pupils should sign up with their name and school email address so that the lucky winner can be given the prize.

Some Duolingo features are disabled to ensure participants' privacy and safety: you will not be able to participate in discussions, make friend requests, follow other participants or participate in leagues. The competition organisers will be able to see participants' names and progress until the close of the competition, and will be able to see the emails participants used to sign up. New Style Rotary Club Comes to Cambourne - New Members, People of Action Wanted

For more than one hundred years Rotary clubs across the UK have been doing excellent work in their local communities, supporting existing charities and good causes as well as running their own projects to benefit those in need.

The Rotary organisation is also known for its international presence, helping improve education, health and understanding in some of the poorest areas of the world. Rotary has played a major part in the virtual eradication of Polio worldwide.

There are currently four Rotary Clubs in and around Cambridge with over 120 members continuing the excellent traditions of the Rotary organisation embodied in their theme of "Service Above Self"

However, in recent years the organisation has not found it easy to recruit new members particularly among younger age groups. Rightly or wrongly Rotary is seen, by some, as a rather old fashioned organisation with formal regular meetings and an older demographic.

Therefore in a bid to dispel some of these myths the Rotary organisation is attempting to form a new style Rotary Club based in Cambourne aimed at those people who are interested in making a difference in their local communities in a club which is informal and friendly while being supported by an organisation which enjoys worldwide recognition.

To get things rolling we are holding two meet & greet get-togethers where people interested in learning more can come along, ask questions and find out a little more about what forming a club has to offer. The details are:

Wednesday 20th November, 7 to 9 pm

Thursday 28th November 6 to 8 pm

Both meetings to be held in the Meeting Room, The Hub Community Centre, High Street, Cambourne, CB23 6GW

David Ellis is heading up this new initiative he states "this is a great opportunity for adults of all ages to join an organisation that will help them improve communities both at home and across the world" he adds "Our new club will be shaped by it's members, they will decide what we focus on and how we go about achieving it"

While helping others is an important part of Rotary, having fun and building lasting friendships is also a major part of being a Rotarian. Membership is open to all, the new club is keen to draw from as many diverse groups as possible to mirror Cambourne's own diverse culture. We are looking for both individuals and couples to become members.

So, if you are a Person of Action who would like to know more either drop in at one of the Meet & Greet dates or email davidellis365@btinternet.com.

Thank you.

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

Texting HEAR to 85258 is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit www.keep-your-head.com
If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org
